## A WARM WELCOME TO OUR JOURNEY

*Explora Journeys represents our confident vision  
to create an entirely new way of ocean travel*

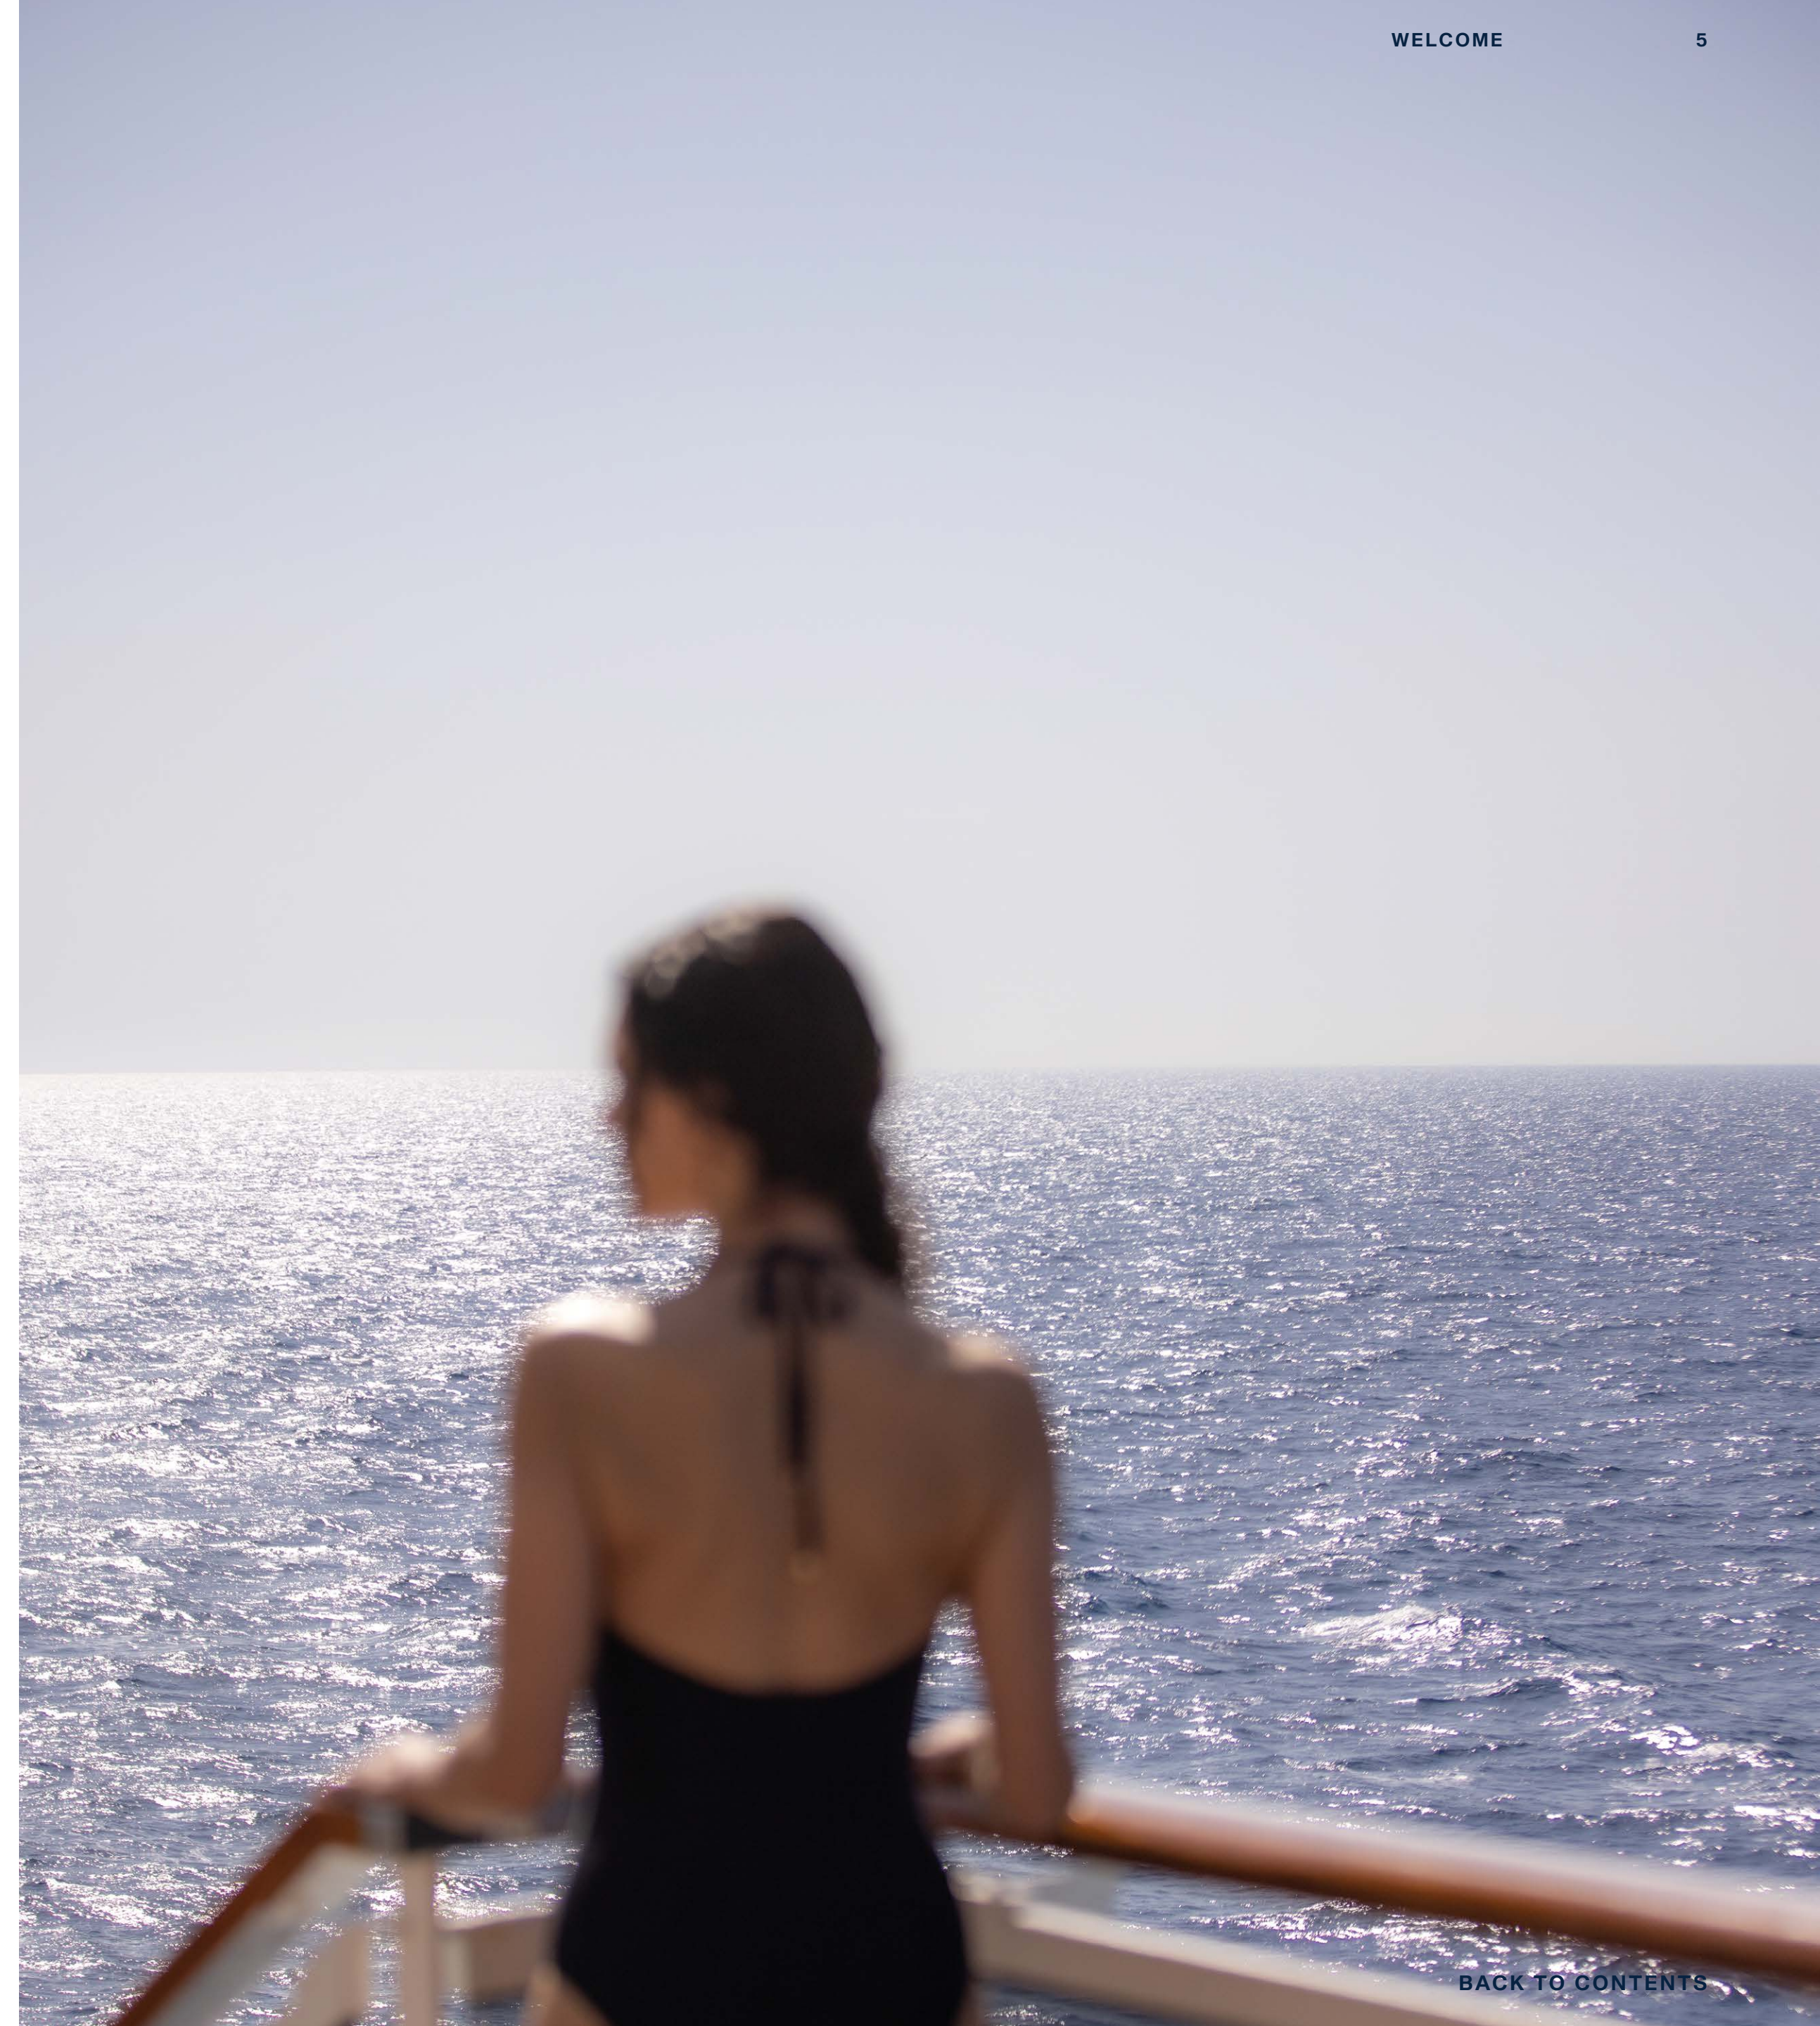

We provide transformative journeys touching every corner of the globe that inspire our guests to explore and discover the world, connect with others and themselves.

Our curated itineraries elegantly carry our guests both on and off the beaten path, offering the perfect blend of new destinations and familiar ones, with destination experiences that can amaze and immerse in equal measure. This is a way of travel that places our guests at the forefront, with effortless, intuitive service helping them settle into their Home at Sea, surrounded by spaces designed with a refined

European elegance. Perhaps most importantly, we are inspired by the very thing that carries us – the sea, a transformative natural force that helps us deliver the unique Ocean State of Mind for our guests.

Our passion and respect for it is never forgotten and our sense of duty to protect it is apparent from the design of the ships themselves and the technology we use, to our broader sustainability commitments. As we are sailing on journeys of discovery, we invite you to enjoy the unique energy of the sea on your journey to the Ocean State of Mind.

## INTRODUCING EXPLORA JOURNEYS

## INTRODUCING A BOLD NEW VISION FOR OCEAN TRAVEL

Explora Journeys is the **NEW** *luxury lifestyle* travel brand launched by the MSC Group with the **AMBITION** to *redefine* the luxury cruise category.

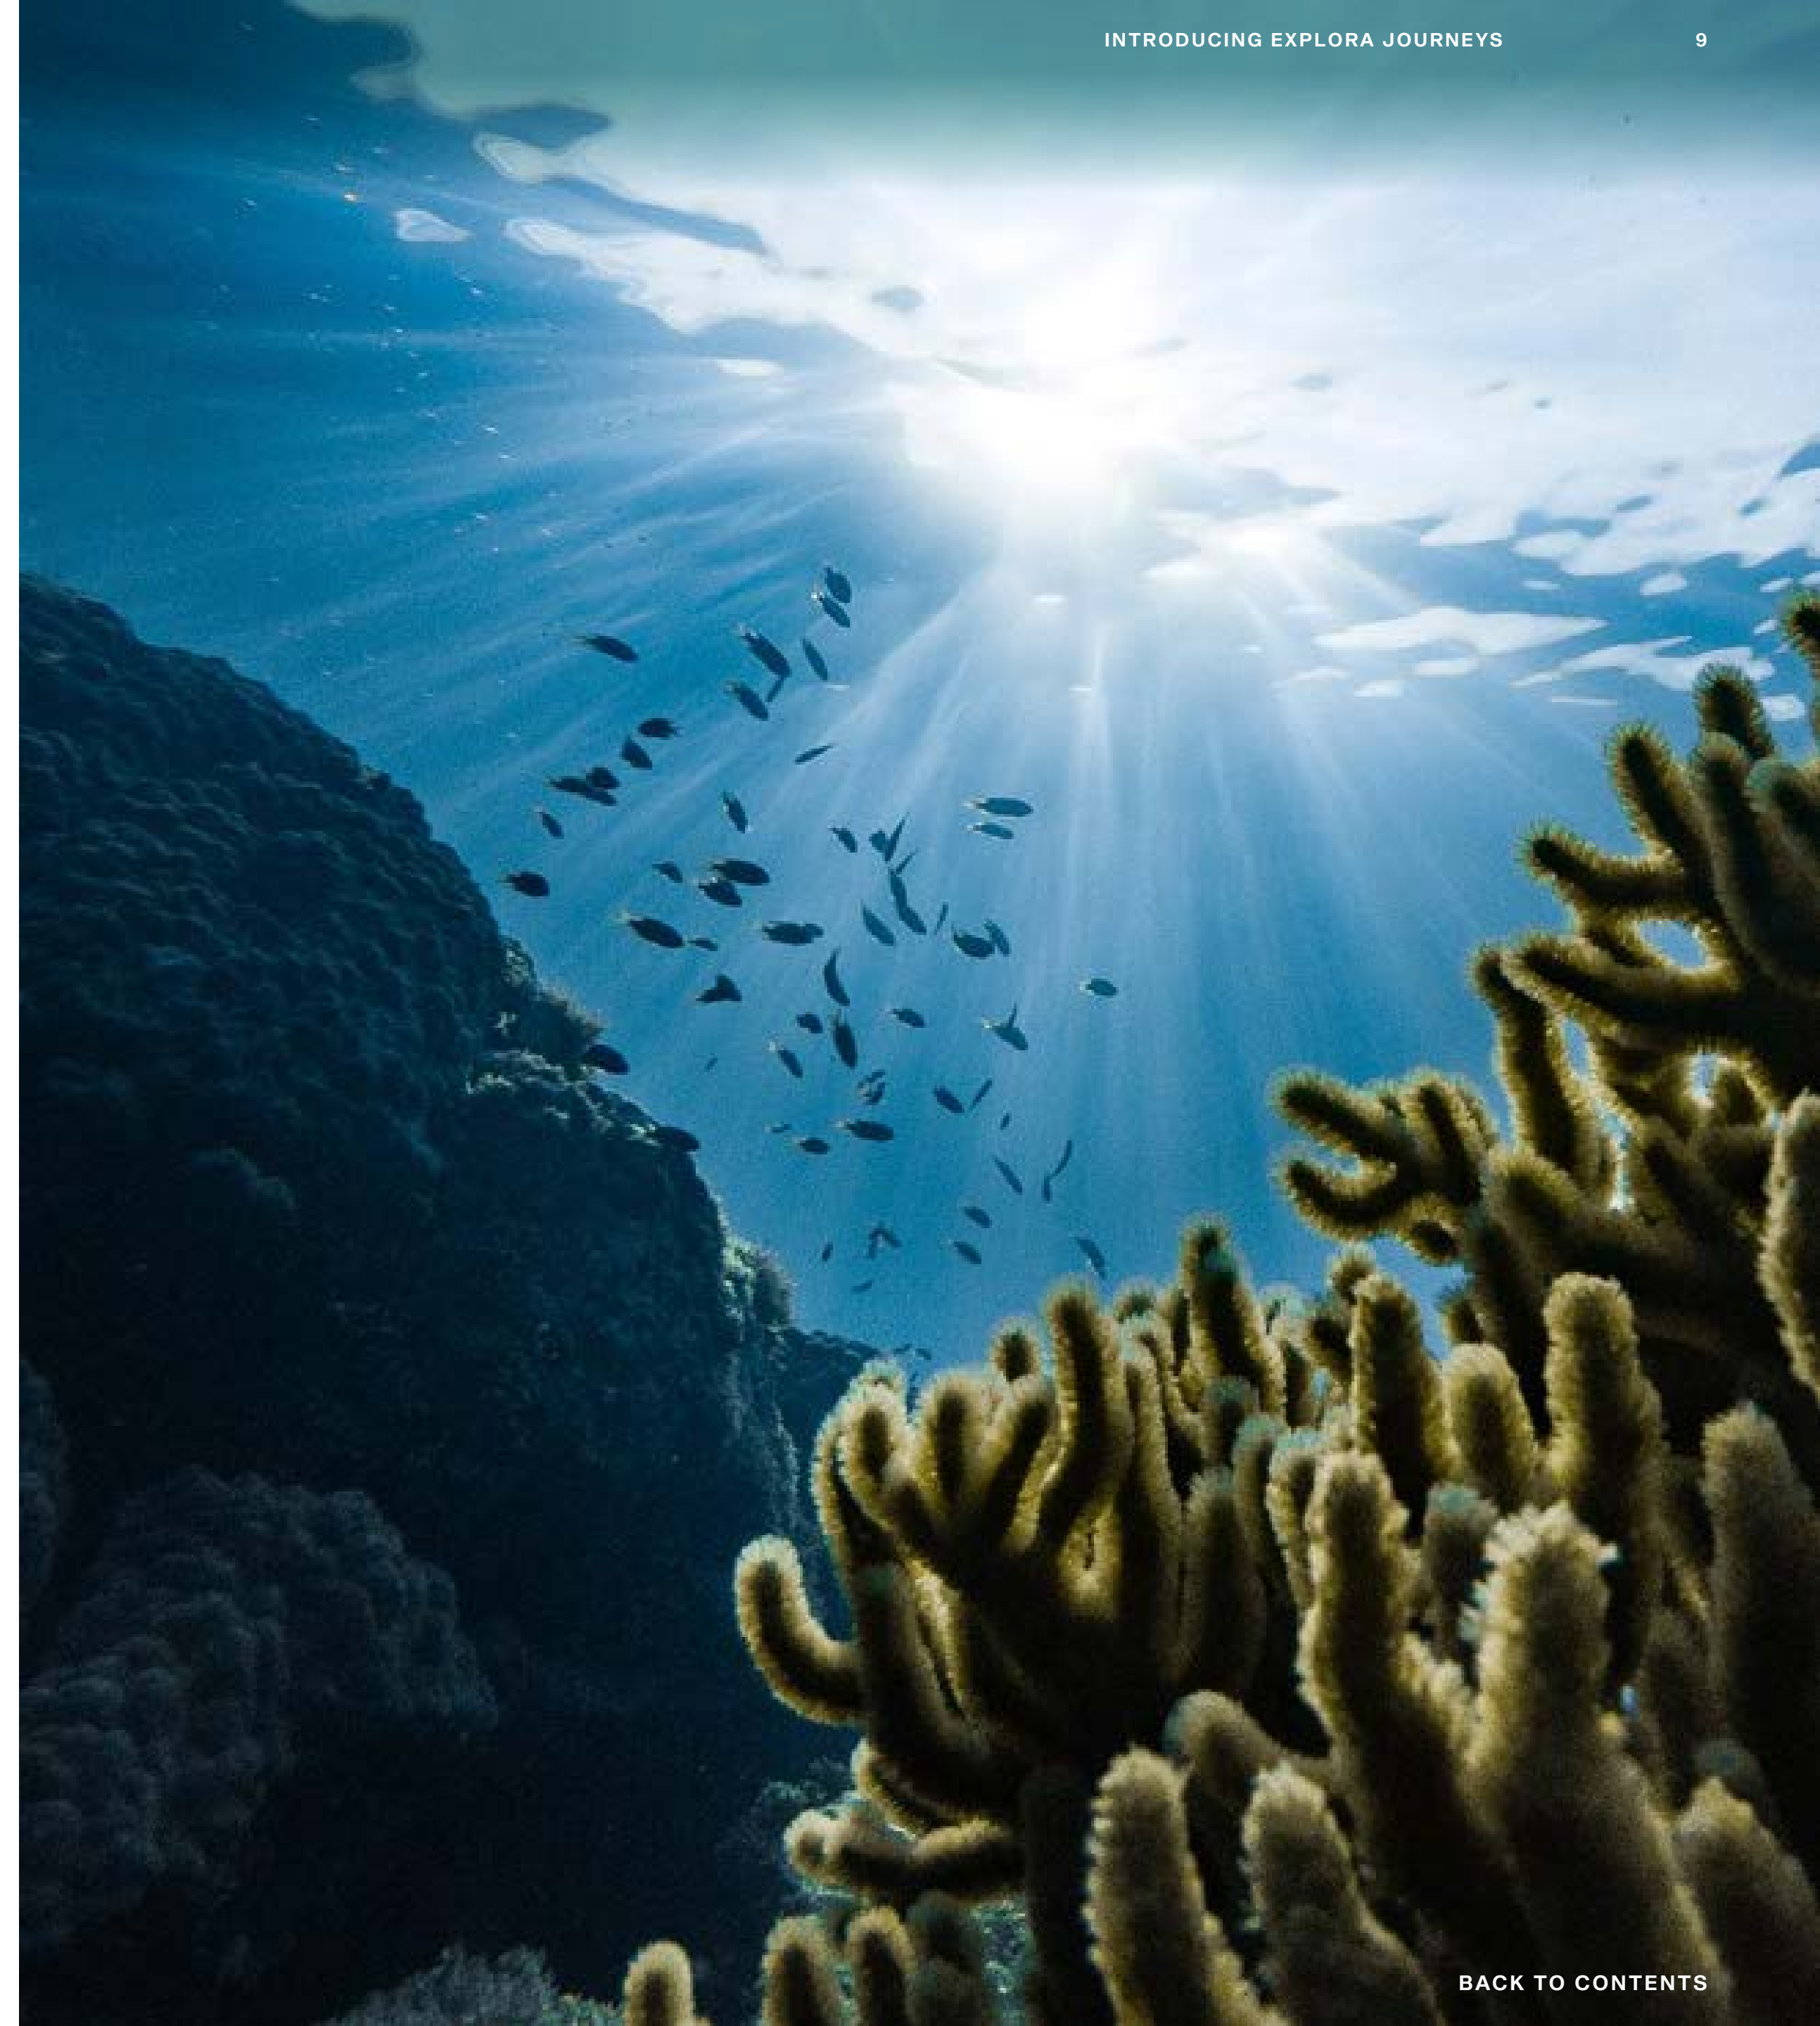

Designed in partnership with the world's foremost super-yacht specialists, EXPLORA I — the first ship in the Explora Journeys fleet — sets sail in Summer 2023.

## THE CONCEPT

*Vibrant, cosmopolitan* **RELAXED** European luxury at **SEA**. Instead of cruises we *create* journeys – of the **MIND** and across the **OCEANS** of the world, as we visit **EXTRAORDINARY** places *on and off* the beaten track.

## ON BOARD

Spaces that offer guests *relaxed luxury*, creating a Home at Sea. Restoring life's **ESSENTIAL** balance with a combination of discovery and *appreciation* for **WELLBEING** and **NATURE**.

This is what the **NEW GENERATION** of *discerning* travellers have *asked* for and this is what they will **ENJOY** on Explora Journeys.

---

## HERITAGE

This is a story that has its beginnings in Sorrento with a Neapolitan ferry captain – Gianluigi Aponte – who, with the Swiss sweetheart he met when she was a passenger on one of his crossings, went on to create MSC, a global shipping operation and the world's largest privately-owned cruise company.

---

## THIS SEAFARING FAMILY IS CREATING AN ENTIRELY NEW WAY OF OCEAN TRAVEL.

---

Now this family is fulfilling their life-long dream and launching Explora Journeys, an exquisite, modern luxury cruise experience like no other.

---

## THE OCEAN AND ITS INFLUENCE

At the *heart* of the MSC Group is  
a **PASSION** for the *seas, oceans* and  
*waters* that *sustain* our **PLANET**.

# INSPIRED BY THE SEA

---

## OUR INHERENT RESPECT FOR THE SEA IS ALWAYS IN FOCUS

This has carried through generations of the Aponte family and will do so into the future. It is why the ocean will always remain at the forefront of the Explora Journeys experience,

allowing curious, cosmopolitan travellers to harness its unique energy which in turn inspires inner and outer discovery.

---

**DISCOVER  
THE OCEAN STATE OF MIND**

Its **INFLUENCE** sits at the *heart* of  
the Explora Journeys brand.  
The *ocean* **CONNECTS** *you* with *yourself*,  
*people* and the **PLACES** around *you*.

---

The ocean relaxes you and creates an energy in you that inspires inner and outer discovery, broadens horizons and triggers new connections.

All of this creates an emotional connection that is powerful, transformative, yet universal. We call it the Ocean State of Mind.

---

## THE OCEAN CONNECTS YOU WITH YOURSELF, PEOPLE AND THE PLACES AROUND YOU.

---

The Ocean State of Mind is reached only with Explora Journeys. It's why all that we do is designed to offer refined yet effortless luxury, with the opportunity for exploration and transformation of the inner and outer self, resulting in a state that is uniquely rewarding — physically, intellectually and spiritually.

JOURNEYS

*Inspired* by our **PASSION**  
for **EXPLORATION** and *discovery*

Our contemporary typeface reflects the subtle curves  
of the sea in its elegance and simplicity.

## MANDALA

### An **INTEGRAL** element of *our* **STORY**

With deep roots in spirituality, the mandala represents a journey of personal awakening and fulfilment. The lotus flower symbolises purity of body, speech and mind, whilst the fleur-de-lis motif represents humility and a clear connection to the family's esteemed European heritage.

# OUR SUSTAINABILITY COMMITMENT

---

*We hold the seas and oceans that  
sustain our planet in the very highest regard.*

This innate respect is why Explora Journeys – in partnership with Fincantieri – is committed to building the ships of tomorrow, utilising the very latest in environmentally supportive technologies whilst being primed to adapt to alternative energy solutions as they become available.

Our ships will utilise progressive technology and innovations to ensure Explora Journeys is always leading the movement towards a more sustainable future. This means committing to developing ground-breaking technologies that will help create a more positive future, not just for this generation but for future ones too.

Explora Journeys' fundamental respect for the planet is the central component of the journey, never forceful nor intrusive upon the destinations and local communities, and conscientious of the environment and sustainability. We will support and give back to noble environmental causes through the MSC Foundation.

Our destination experiences will be designed to leave a positive impression and footprint on the places and people visited by placing a spotlight on local talents, craftsmanship, culture, gastronomy and traditions.

---

## HAVING A POSITIVE IMPACT

Our fleet design incorporates provision for battery storage allowing future hybrid power generation, as well as the latest selective catalytic reduction (SCR) technology, enabling a reduction of nitrogen oxide (NOx) emissions by 90%.

---

## ALL FOUR SHIPS WILL BE RINA DOLPHIN CERTIFIED.

Single-use plastics will not be used onboard the ship, nor will they be offered during land-based experiences - Explora Journeys is dedicated to leaving a positive impression on the places and people visited on their ocean journeys.

# MSC FOUNDATION

## *Values in action for a better world*

The MSC Foundation, a private non-profit foundation, was established by the Aponte family to direct and advance the MSC Group's environmental, humanitarian and sustainable development commitments worldwide.

The Foundation works to restore the critical balance between people and the environment. Its ethics are inspired by the family-owned MSC Group's values and above all, a sense of responsibility for the planet, its oceans and people. The Foundation's mission is to utilise

MSC's global reach and unique knowledge of the sea to take immediate action that contributes to protecting and nurturing the blue planet and all its people. It encourages the sustainable management and protection of ecosystems, empowers vulnerable communities around the world to realise their full potential, promotes quality, equitable and inclusive education to enhance durable individual and collective development and helps disaster-struck populations towards recovery.

# OUR US & CANADA EAST COAST & NEW ENGLAND JOURNEYS

Sailing the waters between **NEW YORK** City and the capital of French **CANADA QUEBEC** brings *cosmopolitanism* and *stunning SCENERY* in equal measure.

---

## CANADA & NEW ENGLAND

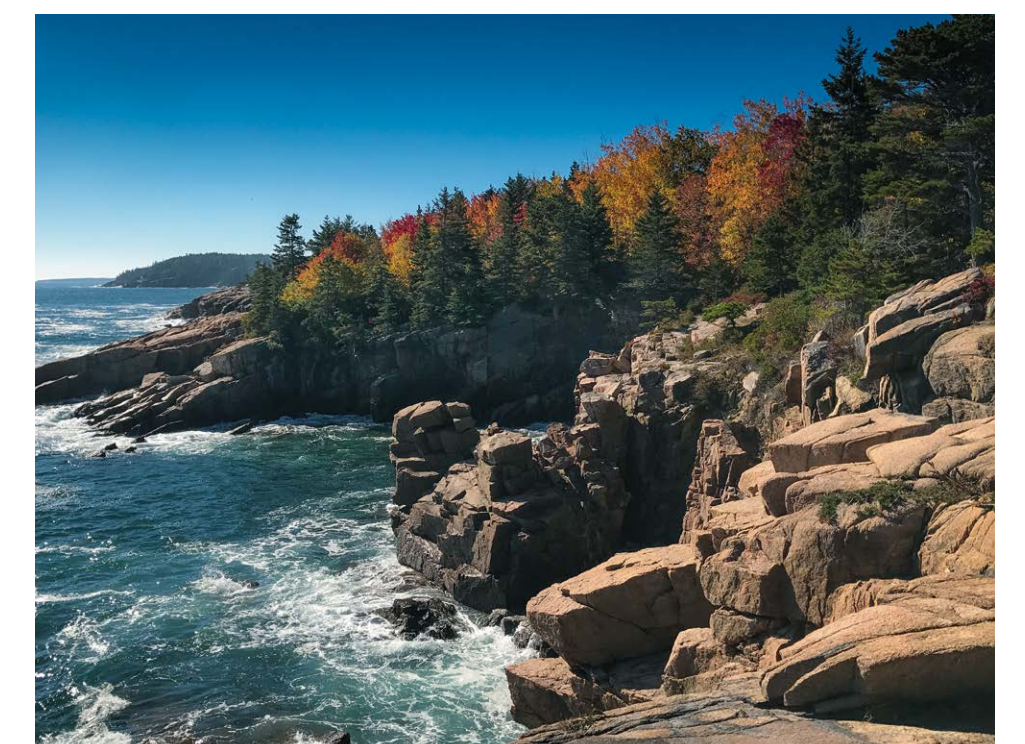

A prolonged stay in “the city that never sleeps” is followed by a gentle meander up the coast of America’s New England, peeping into Boston, where the wharves whisper of tea parties and independence, and Newport, which promises small-town charm, Victorian mansions, and – in autumn – forests ablaze with colour.

---

## EASTERLY WINDS DRAW US TO CAPE ELIZABETH’S HISTORIC HEAD LIGHT, MAINE’S OLDEST LIGHTHOUSE.

Commissioned in 1787 at the behest of America’s founding President George Washington, and to eat world-renowned ruby lobster in the neighbouring harbour.

Nudging into Atlantic Canada and plying the waters between Nova Scotia and New Brunswick brings dramatic rockscapes and red-sand beaches; here days at sea allow nature at its most windswept to unfold as we slip past rugged shores, allowing us to restore and renew.

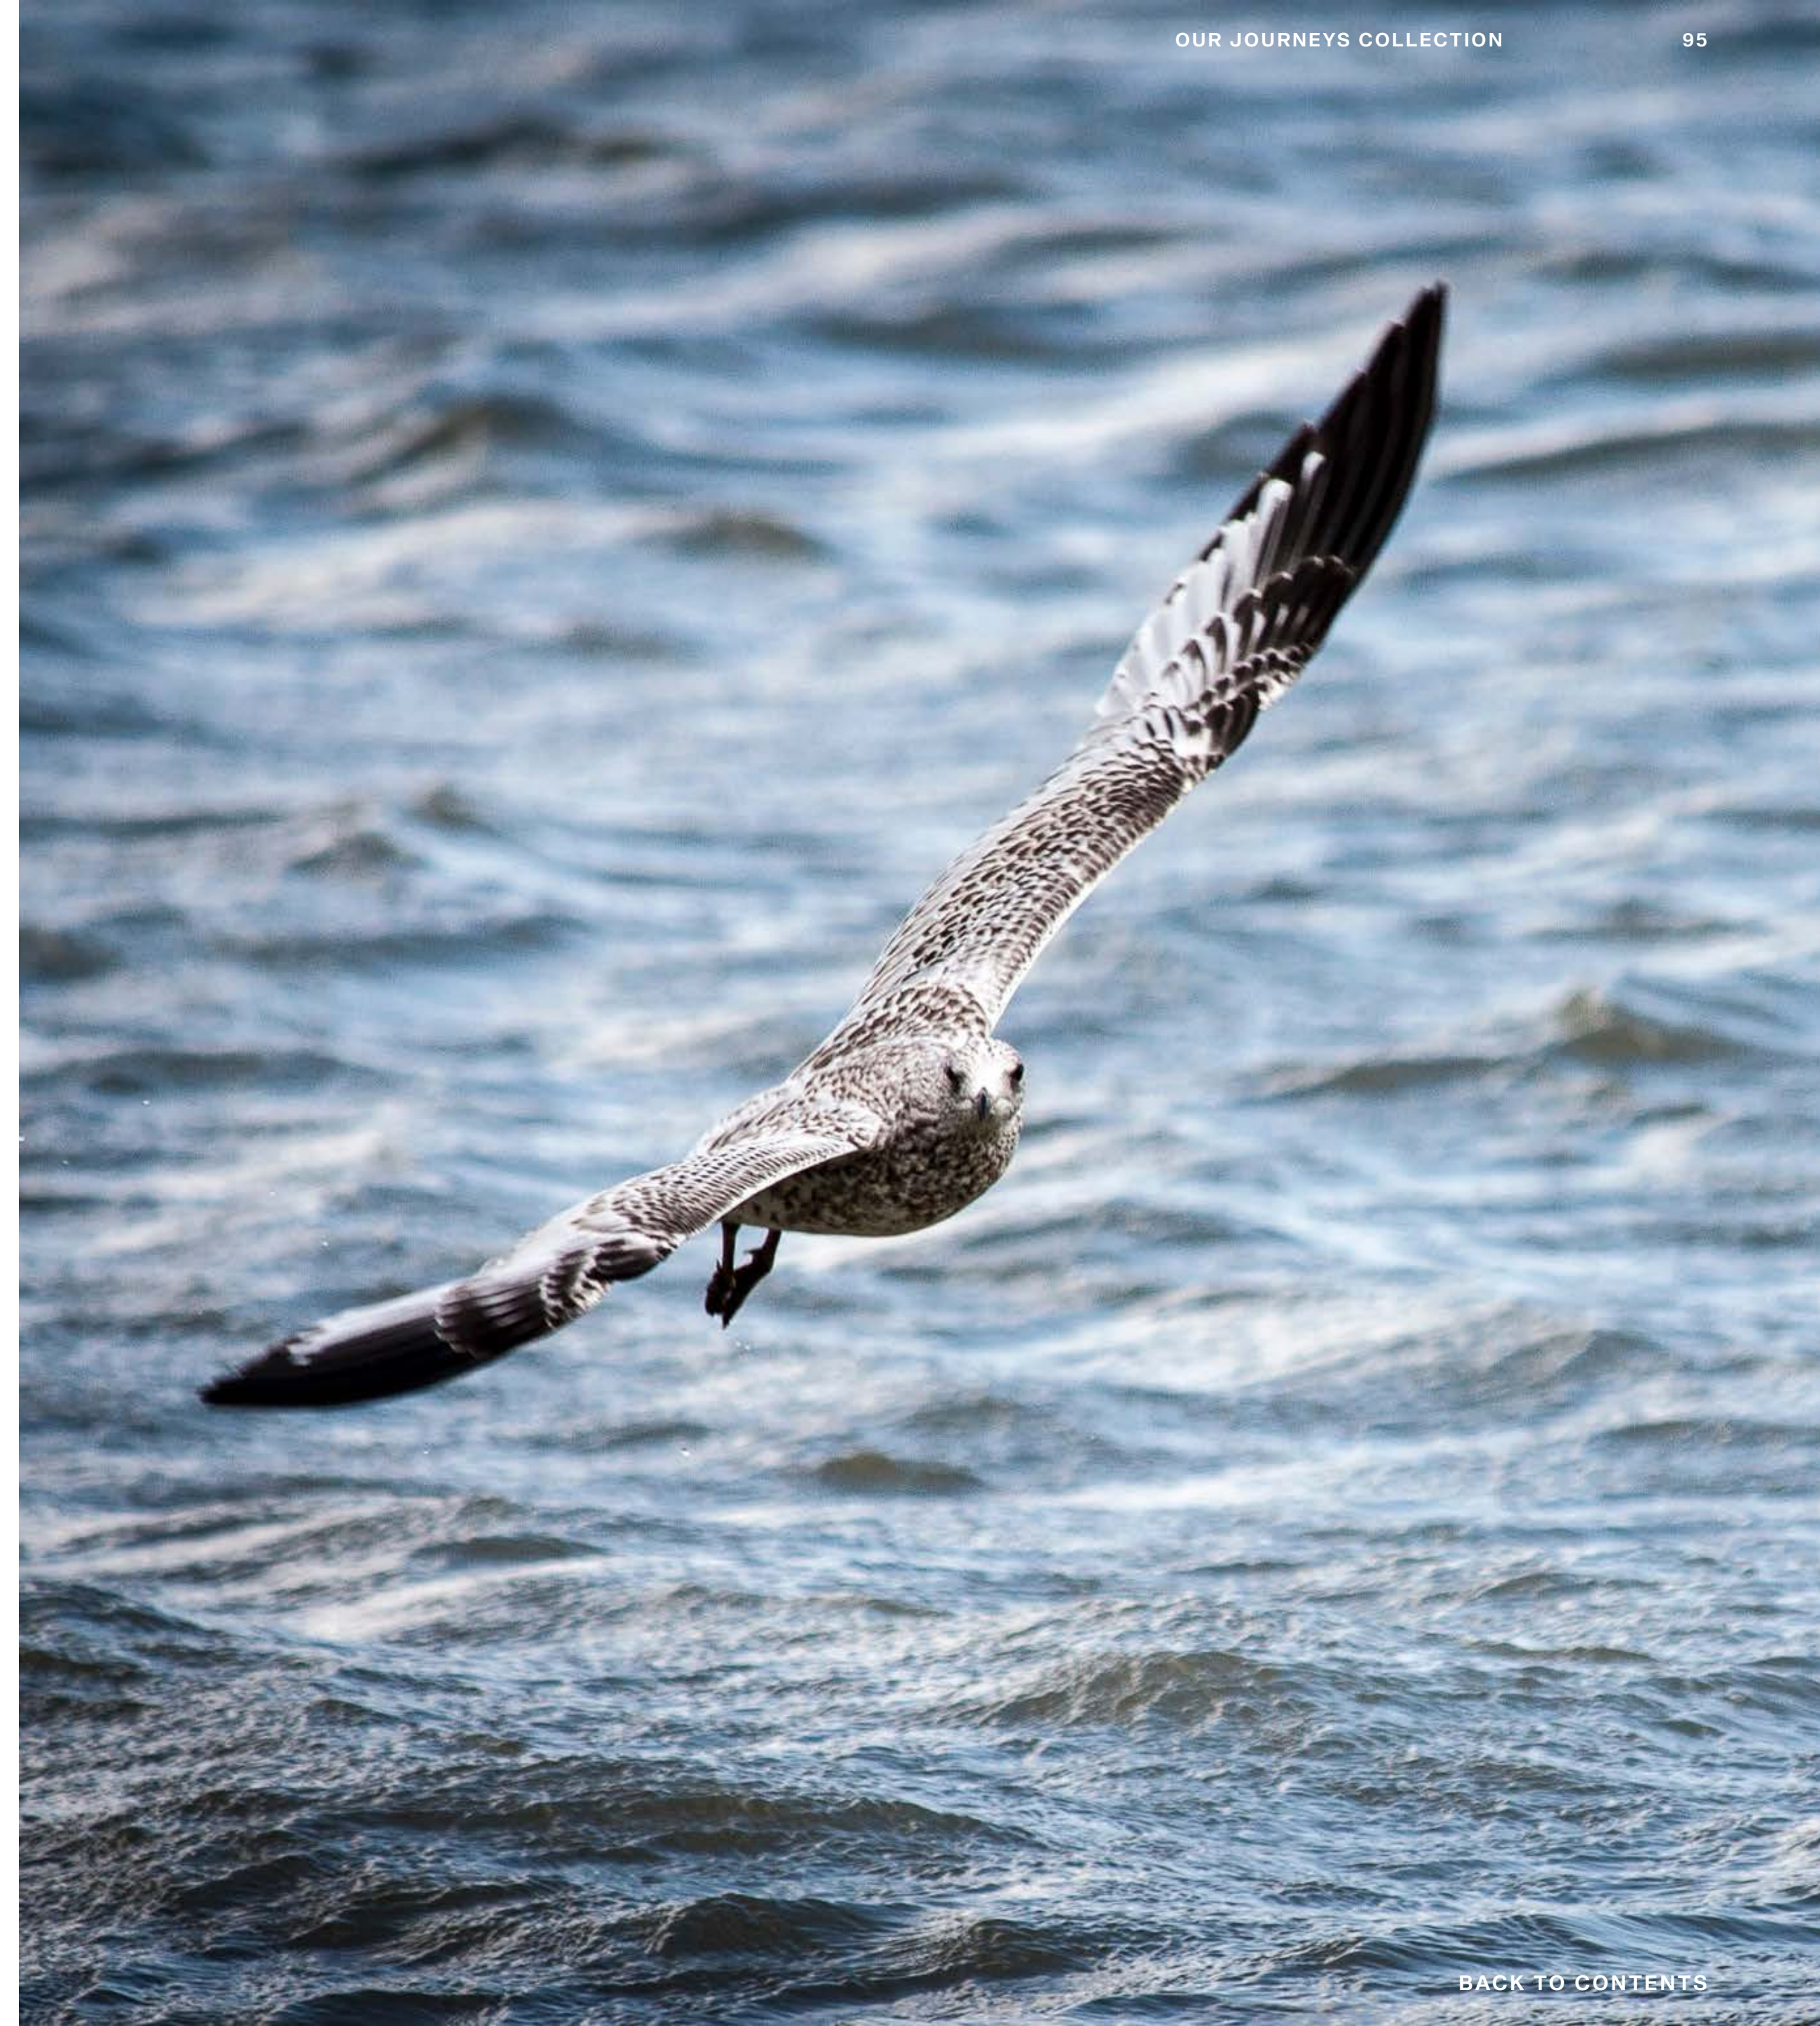

We'll **HIKE** and kayak to Fundy Bay's *photogenic flowerpot* **ROCKS** before following the **WHALE** route of the St Lawrence River.

---

13 species of marine mammals feast on the plentiful krill (including minke and beluga whales) weaving past its craggy clefts, tiny islands and the beautiful UNESCO Manicouagan-Uapishka Biosphere Reserve. Beautiful at every time of year, the journey's end is in the picturesque Quebec City, home

to the especially charming cobbled streets of the UNESCO-protected old quarter and the green-turreted Château Frontenac farm-to-table restaurants and unrivalled French cuisine, and galleries showcasing contemporary local design.

# A NORTH AMERICAN EAST COAST JOURNEY TO METROPOLISES & MARITIMES

**NEW YORK CITY TO QUEBEC CITY**  
 25 SEPTEMBER – 3 OCTOBER 2023  
 8 NIGHTS

**Embarkation/disembarkation ports**

The land of opportunity is not just a moniker, it also applies to experiences that go beyond the superficial to delve deep into the soul of North America. There is no place with more potentiality than Manhattan, the global capital of commerce and culture.

The MoMa, Wall Street and Harlem, Gotham City embraces it all ... and so can you easily during an overnight in the metropolis that never sleeps. Saunter into the galleries of Soho; nosh at restaurants in Hell's Kitchen; sail beside the Statue of Liberty, the glorious gift from France. Beautiful sites continue in Boston, dubbed the Athens of America.

Go behind-the-scenes along Freedom Trail; witness the Old North Church; call upon Paul Revere's House; and hear the battle cries at Bunker Hill Monument. Intriguing beyond measure, we sail to St. John's, which serves as gateway to the Bay of Fundy, a jaw-dropping phenomenon with a tidal change so massive that actually cause a shift in the region's gravity. From one astonishment to the next, we slip through the St. Lawrence River to arrive at Quebec City just as a thousand lights twinkle on at Le Château Frontenac and the UNESCO Old City of ingenuity.

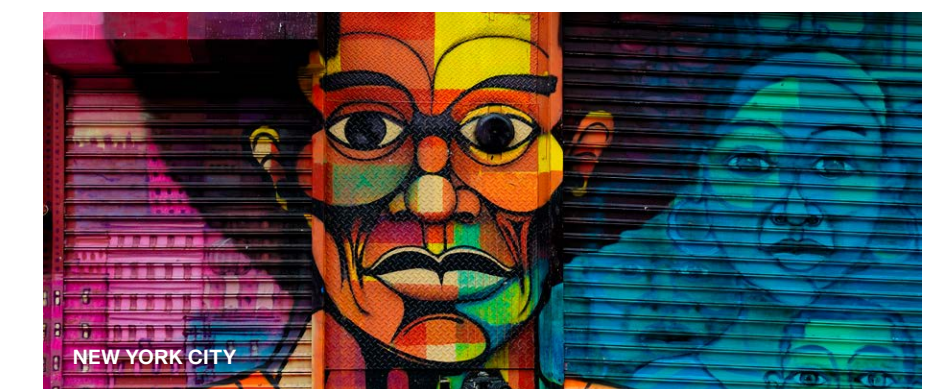

400 years old and still very much alive, she was founded by Champlain then lost to the British; however, her heart remains devoted to the Francophile. Terrasse Dufferin, a magnificent 425-m-long boardwalk, offers views of the St. Lawrence River but Château Frontenac, an audaciously elegant structure, soars even higher with fabulous green-copper turrets. Don't miss fresh croissants from Paillard boulangerie, the cobbled lanes of Le Quartier Petit-Champlain, or Place-Royale, the city's original square where a statue of King Louis XIV watches over all.

Our exploration begins where French colonial history began in Quebec City. Founded by Samuel de Champlain, crowned with the Chateau Frontenac, Quebec City has reigned as a bastion of the French New World for more than 400 years. The adventures of Jacques Cartier call us deep into the scenic Saguenay River. Wild, rugged, and unfazed by time, we visit La Baie, celebrated as one of the “Most Beautiful Villages in Quebec” and charming Baie-Comeau, which is the heart of a UNESCO World Biosphere Reserve. Breathtaking landscapes lead us to Prince Edwards Island, famed for red-sand beaches and Anne of Green Gables. In Halifax, sample the eighty-plus wineries that have perfected viticulture in their 410-years of production. # EUROPEAN INFLUENCES IN THE NEW WORLD

**NEW YORK CITY TO QUEBEC CITY**  
13 OCTOBER – 20 OCTOBER 2023  
7 NIGHTS

NEW YORK CITY

**Embarkation/disembarkation ports**

From New York, the city of steeples, to Quebec City, “la vieille capitale”, North America is blessed with more than 400 years of European influence. New York City, originally founded by the Dutch as New Amsterdam and gifted the Statue of Liberty from France, now gives to the world the 9/11 Memorial & Museum that honors hope, resilience, and unity for all future generations.

Applaud a Broadway Show; catch the view from the Top of the Rock; stroll the High Line; an overnight affords time to embrace it all. Fall foliage calls us to beautiful Boston, dubbed the Athens of America, that’s built upon almost 400 years of academia and culture.

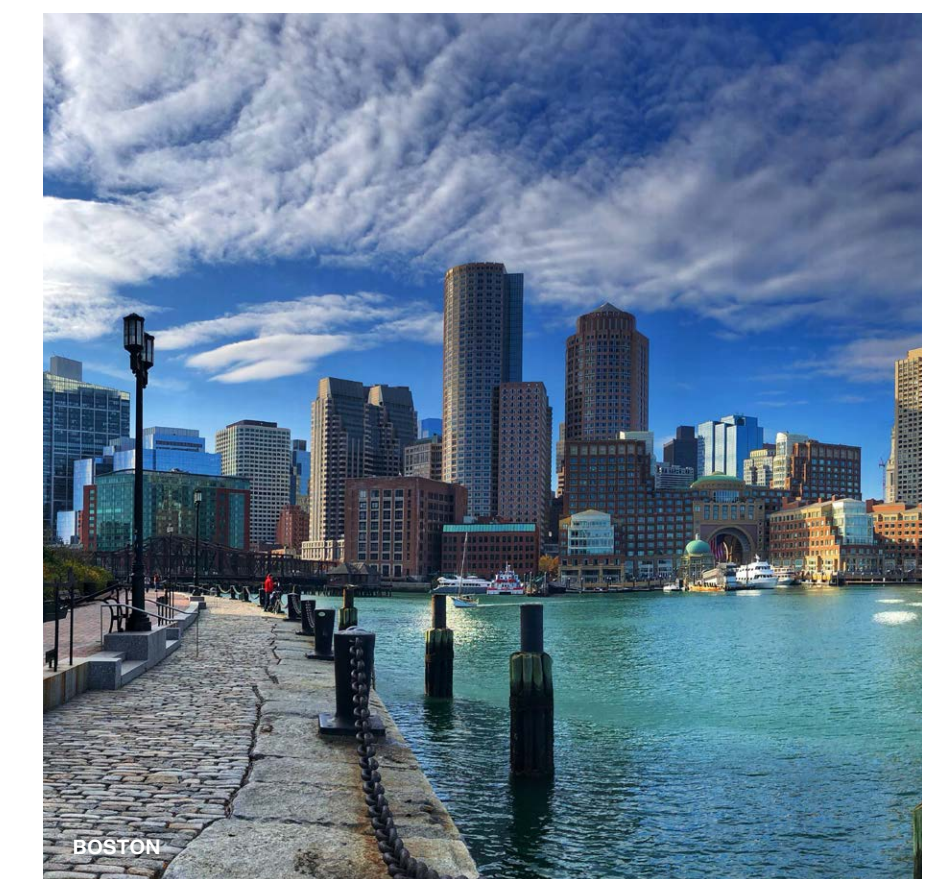

The city’s wharves whisper of tea parties, its libraries of tell revolutionary greats, and its JFK Presidential Library & Museum to recount America’s “Camelot”. In Halifax, the capital of Nova Scotia, we find roots of Celtic, Acadian, and African cultures along with the largest number of lighthouses of any Canadian province. Head to pretty Peggy’s Cove to see the most photographed lighthouse in the country then crack open a ruby lobster in the surrounding fishing village.

For two days, we follow the “whale route” of the St. Lawrence River where 13 species of marine mammals feast of the plentiful krill. Enticing, enchanting, Quebec City calls with her 400-year-old Vieux-Quebec (Old Town), an impeccable UNESCO site, that still ripples with life along meandering cobbled streets and the green-cooper turreted Chateau Frontenac.

Extend you Québécois immersion in the City of Saints, Montréal, where the celebrated Golden Square Mile awaits with impeccable Victorian-era buildings bursting with French boutiques, Parisian-style bistros, magnificent McGill University, and the stately Montréal Museum of Fine Arts.

When summer leaves turn crimson and gold, there's no better place to be than the colourful coves of Canada and New England. The wonder begins in Quebec City where charming UNESCO Parisian boutiques and bistro-lined cobbled streets in the quaint Old Town. Catch your breath in Gaspé and Nova Scotia, where we yearn to explore pine forests, rocky promontories, and pristine beauty so hard to encounter in the modern world.

Feel the sea air and breathe a new season in your lungs. Portland promises more off-the-grid, small town charm where pints and flights are enjoyed along historic avenues.

An overnight in New York City allows time to explore a behemoth of culture and creativity from Broadway to The Met to fashionable 5<sup>th</sup> Avenue.

An ocean state of mind takes us to Florida's Space Coast to find out-of-bounds experiences at Kennedy Space Center and Daytona International Speedway then gentle tides lead us to Miami where blindingly white beaches are matched only by the city's blazing hot nightlife.

# OUR CARIBBEAN & CENTRAL AMERICA JOURNEYS

---

## THE CARIBBEAN

The beauty of the Caribbean is without doubt its crystalline waters – and there's no better way to explore and enjoy them. Our ships weave a way through the more than 700 islets and islands, sometimes for months at a time.

---

## DELIGHTING IN THE SEDUCTIVE WARMTH OF THIS TROPICAL PARADISE.

We follow the sea turtle's lead and keep the pace languid, our days sprinkled with snorkelling through caves and amidst underwater kingdoms of kaleidoscopic coral and fish.

---

Keen *divers* can *swim* alongside *sharks*, into **CAVERNS** and in search of scores of Second World War **SHIPWRECKS** and **SUNKEN** minesweepers.

---

On shore, island life is just as colourful. From the unsurpassed French chic of the volcanic Saint Barthelemy to the character of Puerto Rico, the Caribbean's vibe is joyous and free-spirited, offering escapism at its most uplifting.

---

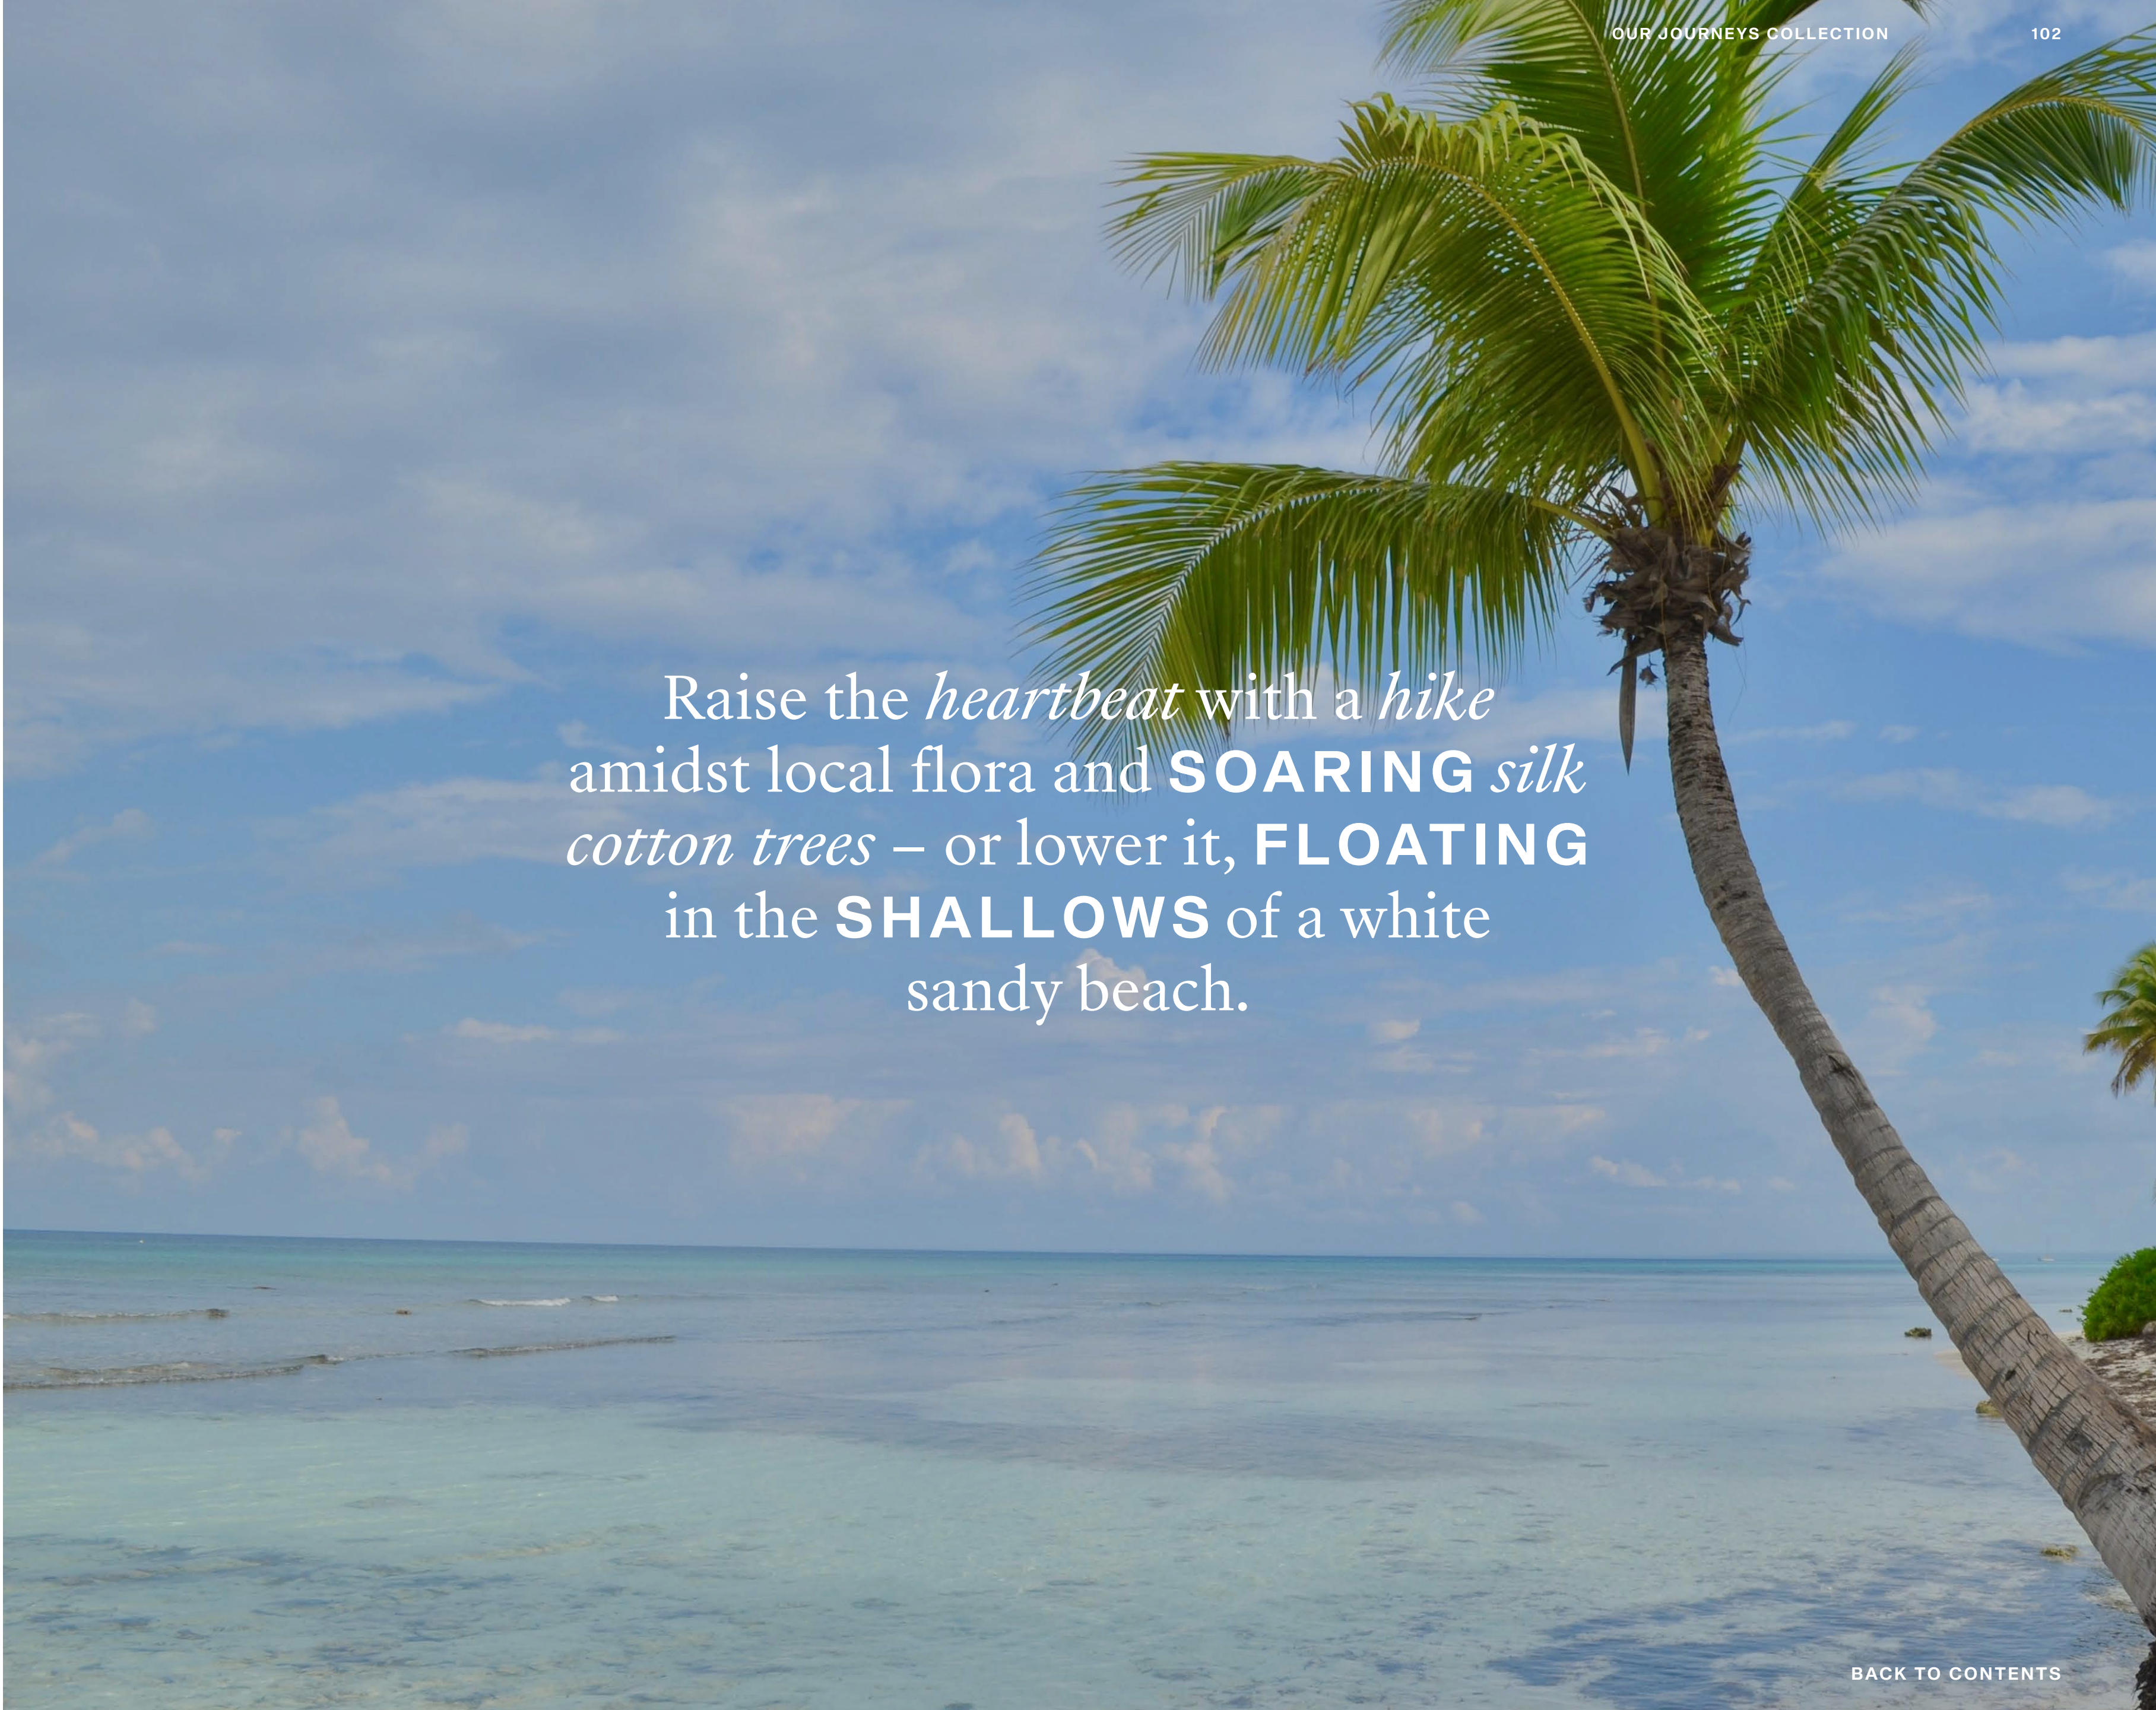

## BECOME IMMERSED IN ITS VIBRANT CULTURE AND CUISINE.

---

Walk its sugar cane, coffee and cocoa farmland, and then just drop out beneath its swaying coconut palms.

Green jungled hills and cloud-shrouded mountains offer the most majestic of backdrops, whilst the orchid-filled primordial rainforests are rich in wildlife, from monkeys and mongoose to sloths and hundreds of species of songbird, including the most vivid-green hummingbirds.

---

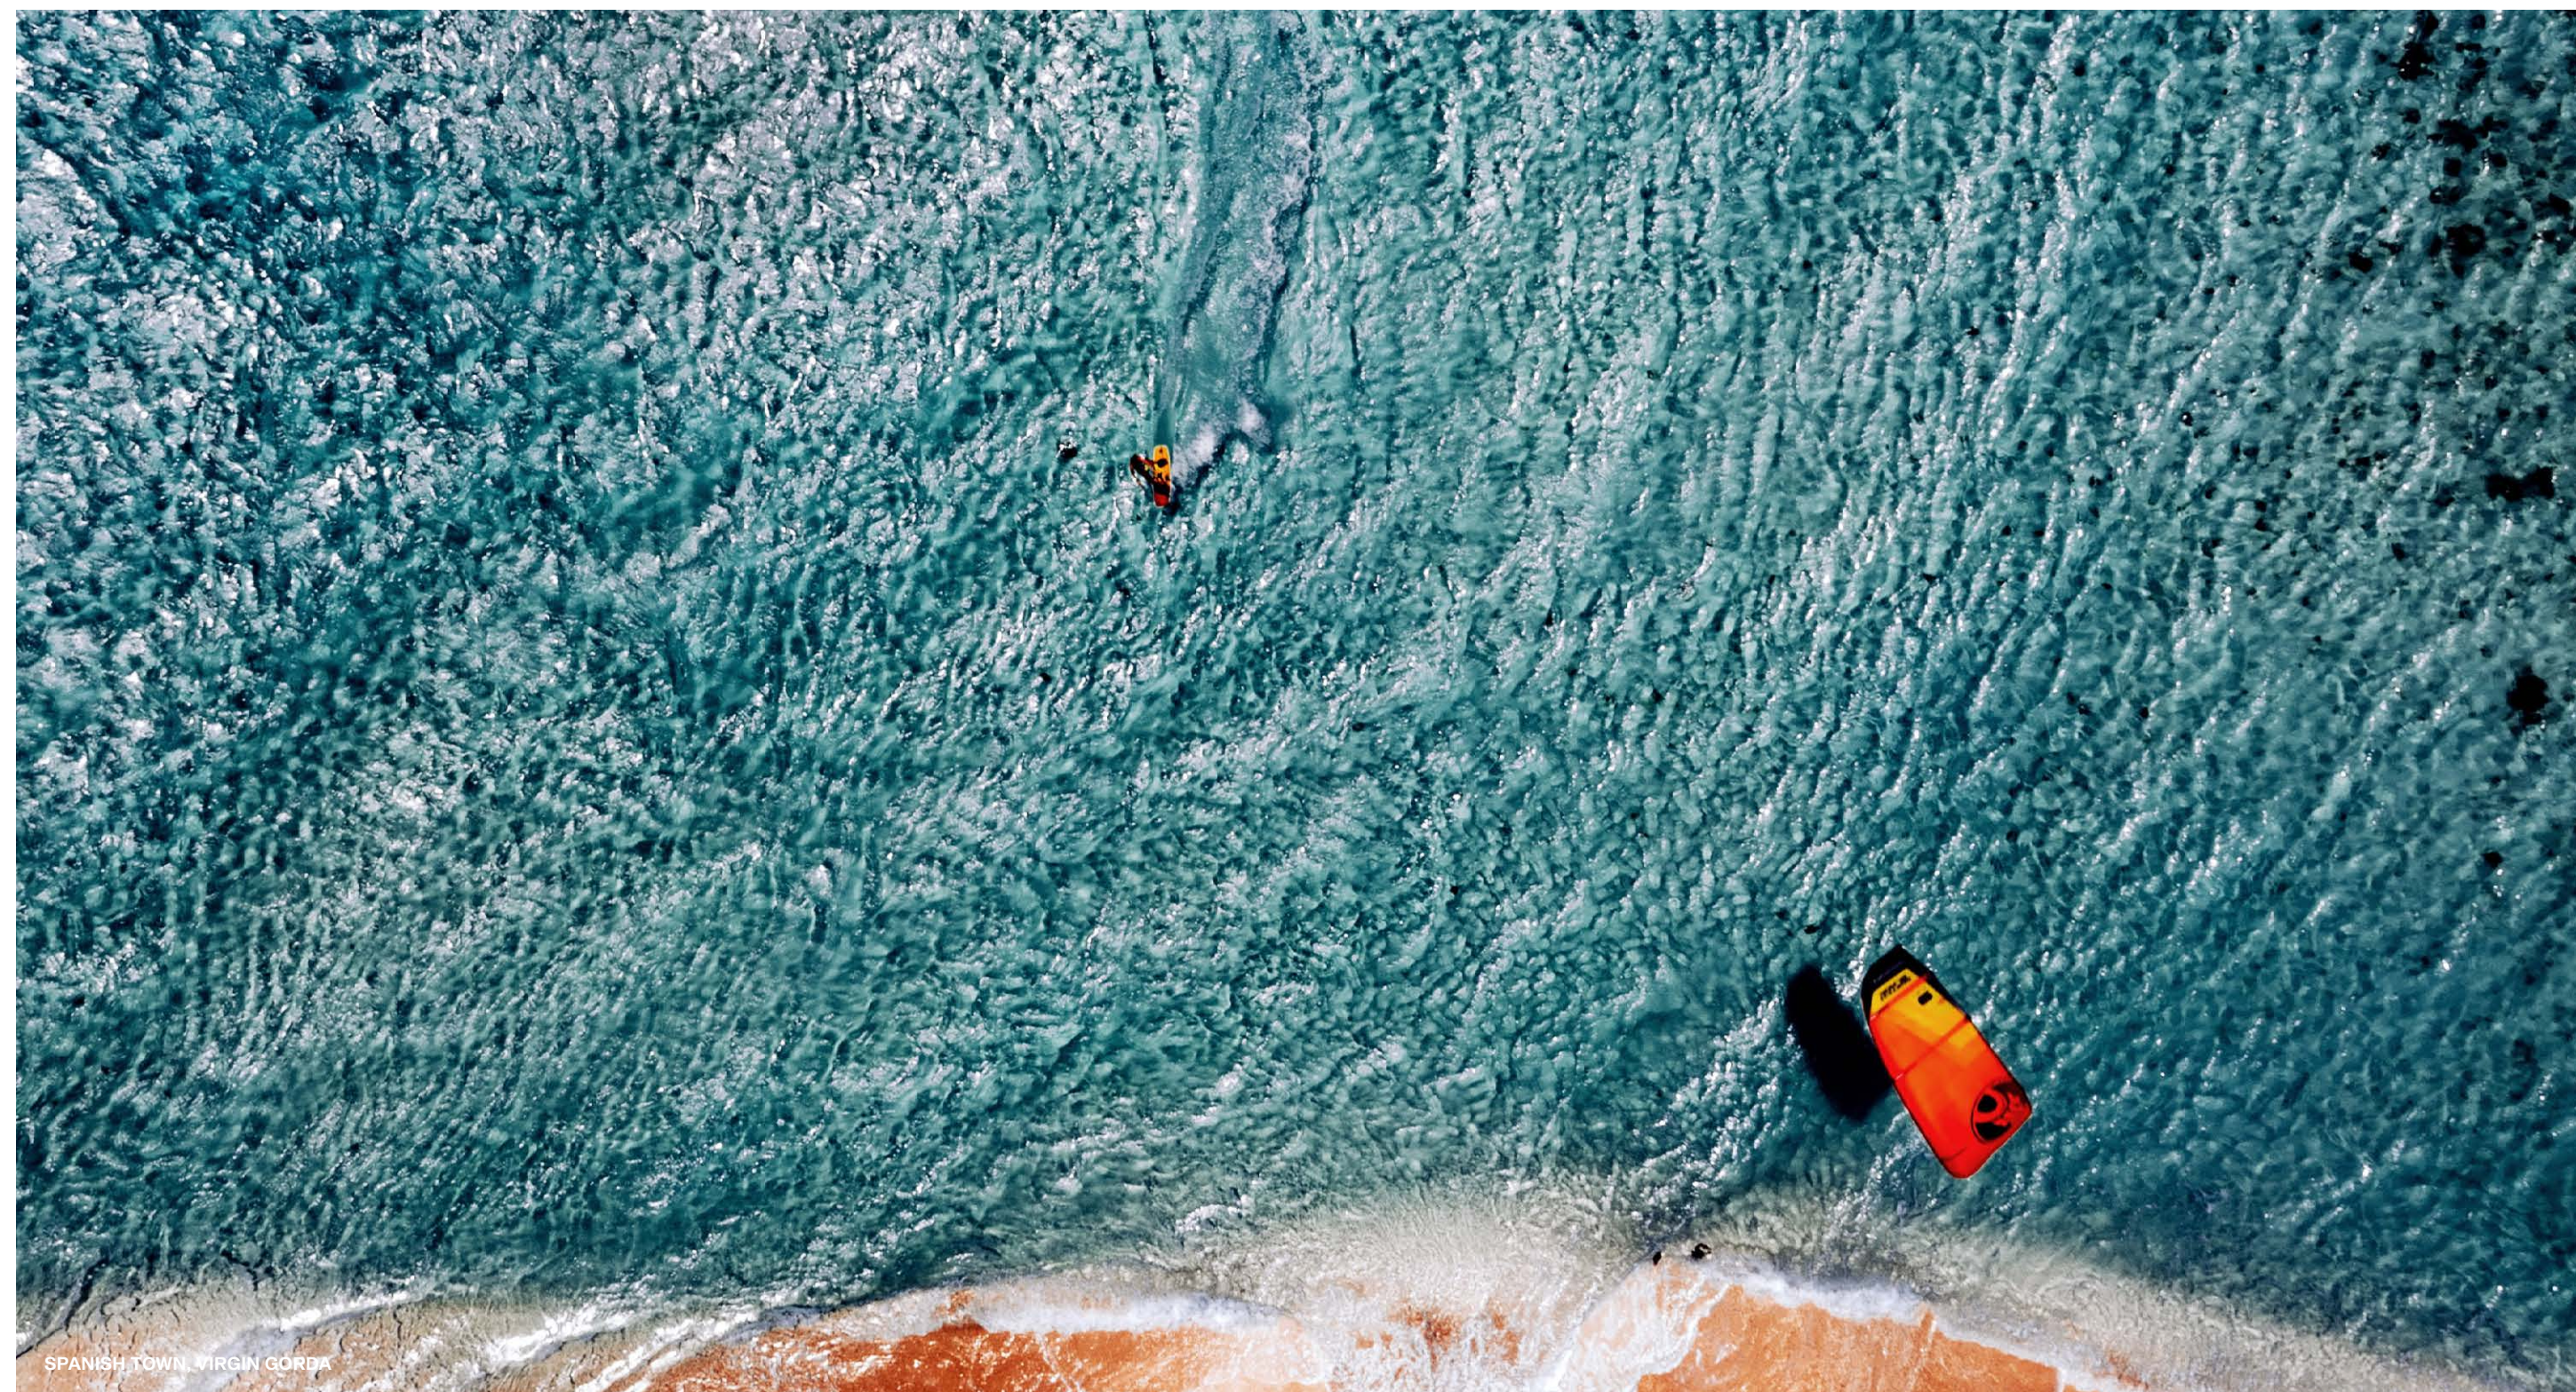

Raise the *heartbeat* with a *hike* amidst local flora and **SOARING** *silk cotton trees* – or lower it, **FLOATING** in the **SHALLOWS** of a white sandy beach.

**MIAMI TO SAN JUAN**  
 3 NOVEMBER – 10 NOVEMBER 2023  
 7 NIGHTS

SPANISH TOWN, VIRGIN GORDA

**Embarkation/disembarkation ports**

The moon over Miami shines on a sultry, sophisticated city. Posh galleries and street murals bring Art Basel to Wynwood whilst art deco architecture call models and moguls to Ocean Drive. Plying a southern chain of mangrove islands, we call on Key West, where legendary writers and wanderers all toast life at Sloppy Joe's.

Next, a long-held yachtsmen's cove, Virgin Gorda, enchants with curious beach boulders as big as houses tossed about like a giant's marbles.

Hummingbirds, herons, and parrots in every color greet us in Deshaies whilst we snorkel amongst parrot fish, iridescent coral and starfish the color of the sun in St. John's.

Landscapes, as vibrant as a painter's portrait, surround San Juan where the infamous El Yunque National Forest thrives in a thick primeval jungle where a cathedral-like hush reveals nature's soundtrack.

**SAN JUAN TO MIAMI**  
10 NOVEMBER – 17 NOVEMBER 2023

GUSTAVIA, SAINT BARTHÉLEMY

**Embarkation/disembarkation ports**

We call on islands that are the bywords for high-society escapism. Our first elixir of ease, St. Barths, is one part Swedish, two parts French and three shots of sunset-to-sunrise glamour. Yachts gleam in the harbour, boutiques sell Parisian fancies, and bonafide barefoot bars serve off-the-charts tranquility. With our head full of dreams, we call on St. Kitts, an island of wonders where we can ascend through a virgin rain forest to summit Mount Liamuiga and gaze down upon her dormant crater.

More emerald peaks and placid shores continue on to the Dominican Republic with four of the five highest peaks in the Caribbean, lush jungles carved by rivers and waterfalls. Shades of aquamarine, amethyst turning translucent opal, the colours of the sky, sea and sandy cays all are seemingly inseparable.

This is the wonder of Ocean Cay Marine Reserve, our private island paradise that ecologically and geographically achieves the impossible dream of being gloriously secluded on a paradisiacal island.

# UNESCO TREASURES BELOW & ABOVE THE CARIBBEAN SEA

**BRIDGETOWN TO BRIDGETOWN**  
27 NOVEMBER – 6 DECEMBER 2023  
9 NIGHTS

**Embarkation/disembarkation ports**

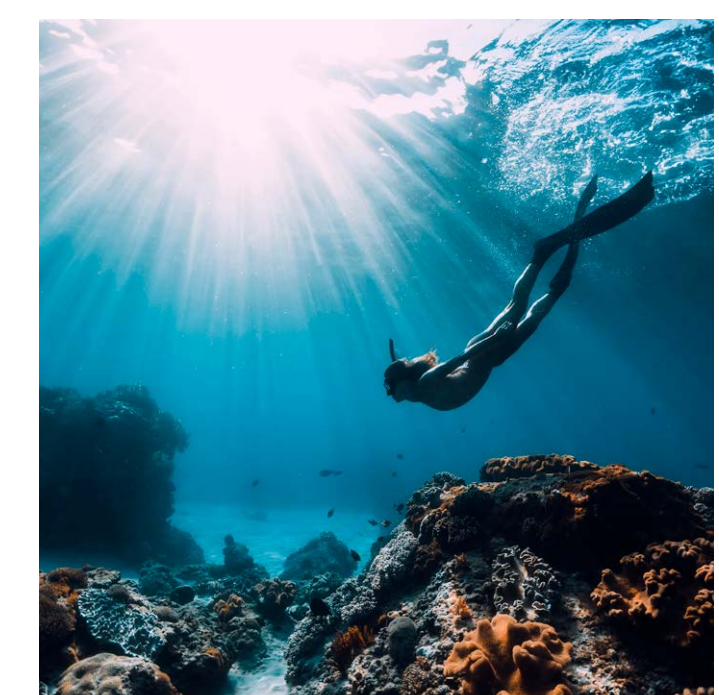

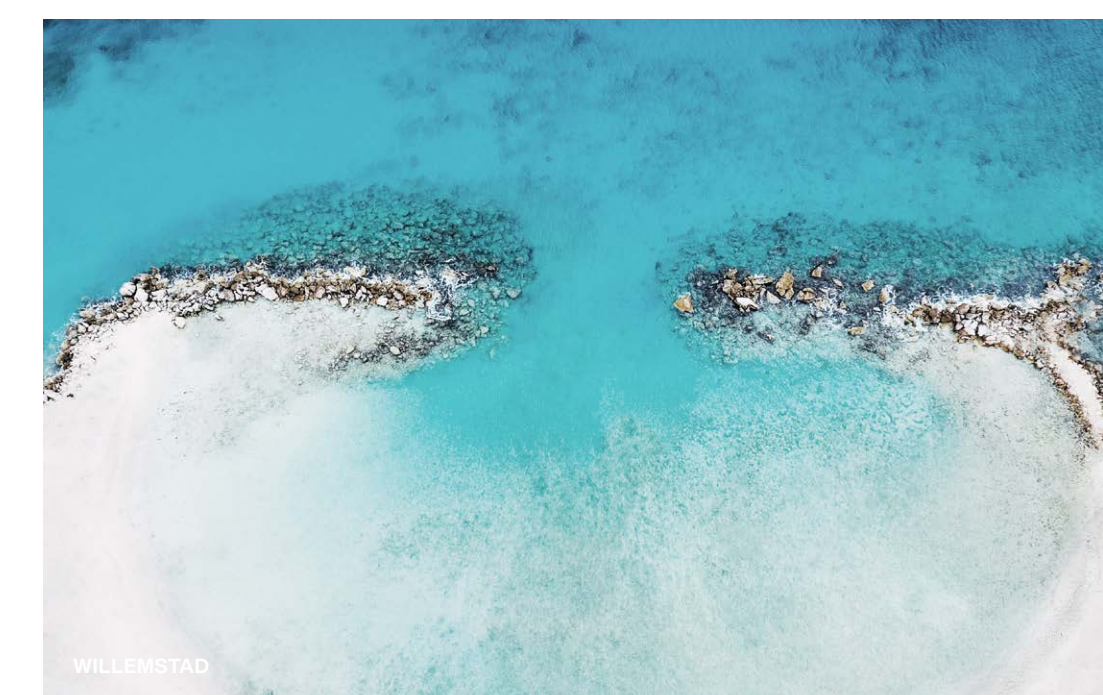

This journey fully displays Mother Nature’s tour de force of beauty above and below the Caribbean Sea’s surface. With a lovely enticement of ease, we begin in Barbados, an island of wonders: flying fish, green monkeys, subterranean waterfalls, and towering banyan trees with shaggy aerial roots that inspired the island’s Portuguese name, the “bearded ones.”

The lure of geography blesses us on Sunday Island, formally baptised Dominica, where sperm whales swim her waters all year and primordial rainforests are thick with a profusion of rainbows in a swirling cloud of mist. Surround yourself in cerulean blue, tranquility and sky on Bonaire, considered the Caribbean’s shore-diving capital and the birthplace of windsurfing.

Following a westerly breeze, we find Willemstad, a UNESCO jewel, with brightly coloured Dutch-gabled buildings that look like a tropical Amsterdam. With 26 hours in the Dutch West Indies port, we can take our time exploring this semi-arid island.

Magnificent marvels continue in Colón, home to the impressive Gatun Locks and Gatun Dam of Panama Canal as well as the UNESCO site of Fort St. Lorenzo, that once protected the Spanish Crown.

Wonders continue in Curaçao with its UNESCO site harbour that resembles a tropical Amsterdam. For the ultimate utopian experience, Bonaire and Martinique offer unmatched drama, from flocks of pink flamingos to cacti that grow to more than 9 metres tall and the looming cloud-shrouded crater of Mount Pelée.

# A JOURNEY TO SOUTHERN CHARMS & EUROPEAN FLAVOURS

**COLÓN TO BRIDGETOWN**  
24 FEBRUARY – 1 MARCH 2024  
6 NIGHTS

**Embarkation/disembarkation ports**

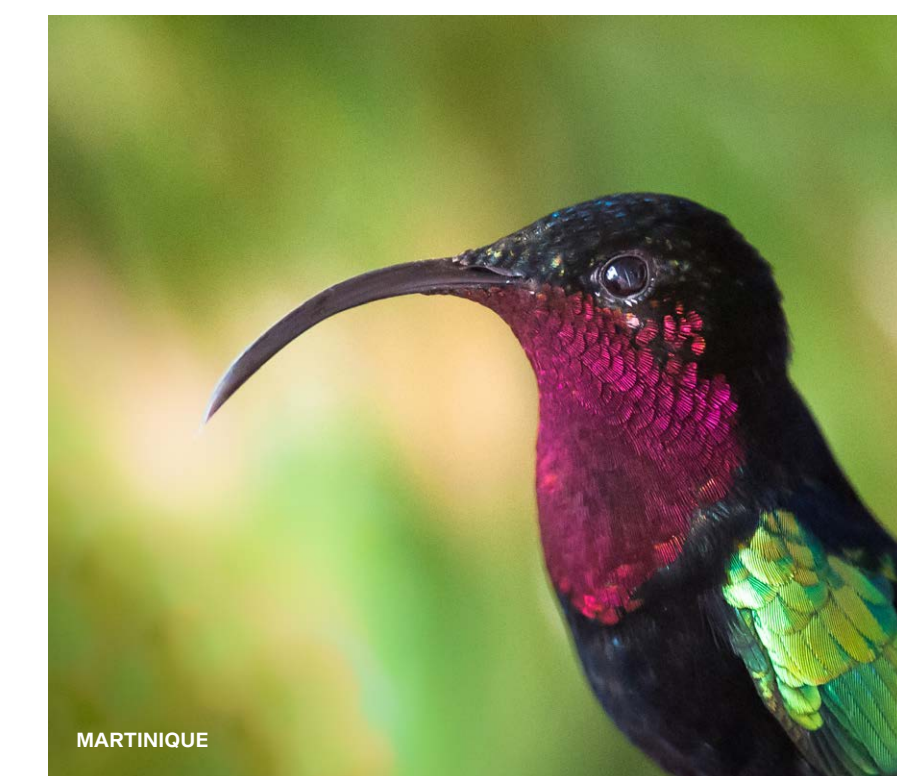

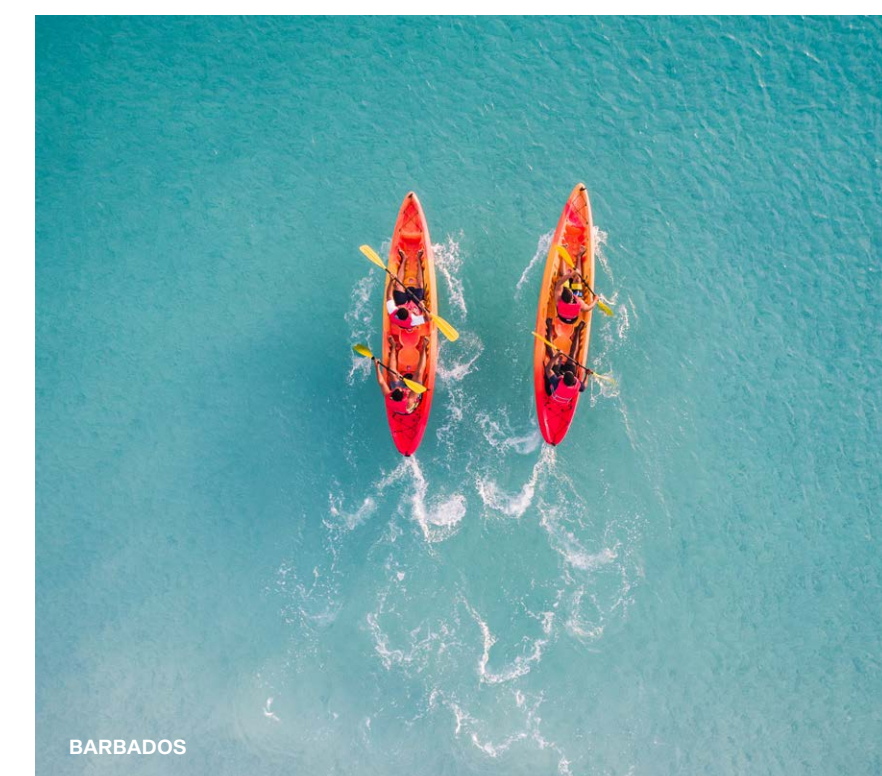

Trace European history on a journey between idyllic islands in the southern Caribbean.

Christopher Columbus lent his name to busy Colón, where we find UNESCO Fort St. Lorenzo and Zona Libre where virtually everything is sold. Colourful merchant houses set the scene for fairy-tale adventures in Willemstad, the picture-perfect capital of the Dutch Antilles.

There's time to explore paradisaical coves and limestone caverns during an overnight in Curaçao, then onward to Martinique, where French fashions flavour charming Saint-Pierre, framed by the dramatic peak of mighty Mount Pelée, its green slopes peppered with plantations. Raise a rum cocktail as we embark one last time for the journey to Bridgetown, where British colonial architecture is infused with colourful Caribbean charm in the UNESCO-listed old town.

# ISLANDS OF DESIRE

**BRIDGETOWN TO MIAMI**  
1 MARCH – 8 MARCH 2024  
7 NIGHTS

BRIDGETOWN

○ Embarkation/disembarkation ports

Glorious islands as far as the eye can see; idylls as popular as Martinique or undiscovered as Ocean Cay and as romanticised as St. Kitts. No island of consequence escapes our attention. No harbour too remote for us to find. We sail from bustling Bridgetown to trace a volcanic arc of archipelagos and find Saint Pierre rising on the horizon like a vision. Coquettishly French and charmingly Creole, you'll warm to the same light that inspired Gauguin. Lush, dramatic, pristine, Basseterre beckons with rivers that thunder, hikes that climb into a volcanic caldera and mischievous vervent monkeys faintly tinted green.

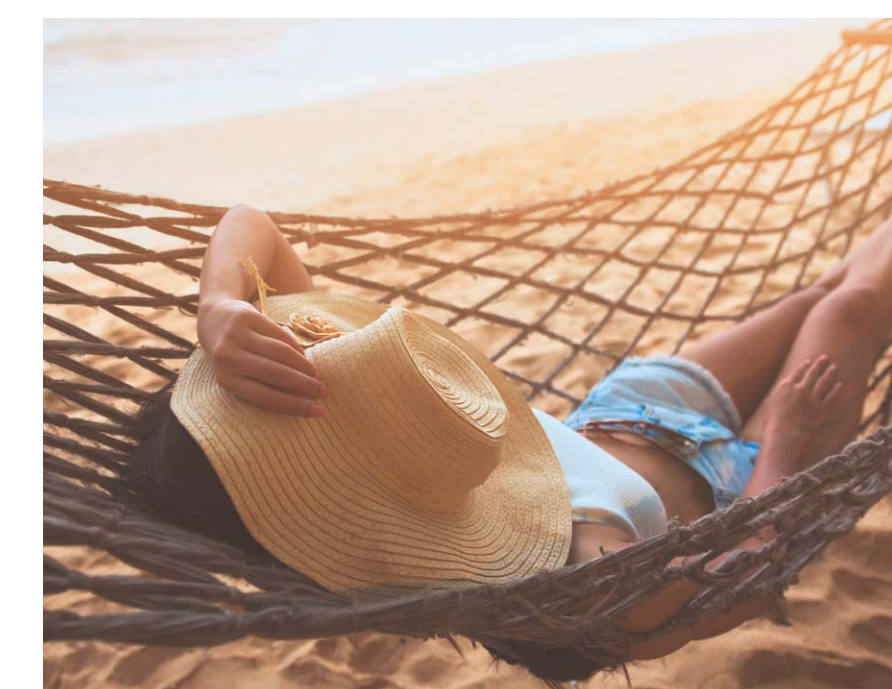

As close to heaven as a beating heart will allow; Samaná draws us with her beauty and hopeful sightings of humpback whales. A magical experience on an almost mythical island; Ocean Cay is exclusive, environmental sensitive, and luxuriously sustainable. Our private MSC Marine Reserve wraps you in the unprecedented reality of a true island paradise.

**MIAMI TO BRIDGETOWN**  
8 MARCH – 18 MARCH 2024  
10 NIGHTS

KEY WEST, SMATHERS BEACH

**Embarkation/disembarkation ports**

The Caribbean shines with stars; sparkling islands so provocative, so utterly charismatic, they become wellsprings for exploration. We find fathoms of freedom in blue-turning-turquoise waters sailing from Miami to Key West; energetic, effervescent, Cuban-spiced destinations that sway with a palpable buzz.

A fragrant cachet of florals and French baguettes. Waves of ivory-coloured sands. Virgin Gorda and Gustavia offer perfect days of power-lounging where the chic and sleek tan. Delve into Deshaies to explore rainforests, French ruins and filming sites of Death in Paradise. Bubbles of champagne and volcanic mud baths burst in the sun of Soufrière.

Take a strenuous-but-worth-it hike up Gros Piton or watch clouds float across Petite Piton from Hummingbird Beach. 18-square kilometres of perfection, Bequia is that vintage postcard with sugary white beaches, swaying palms, and lobster shacks selling 'free beer tomorrow'.

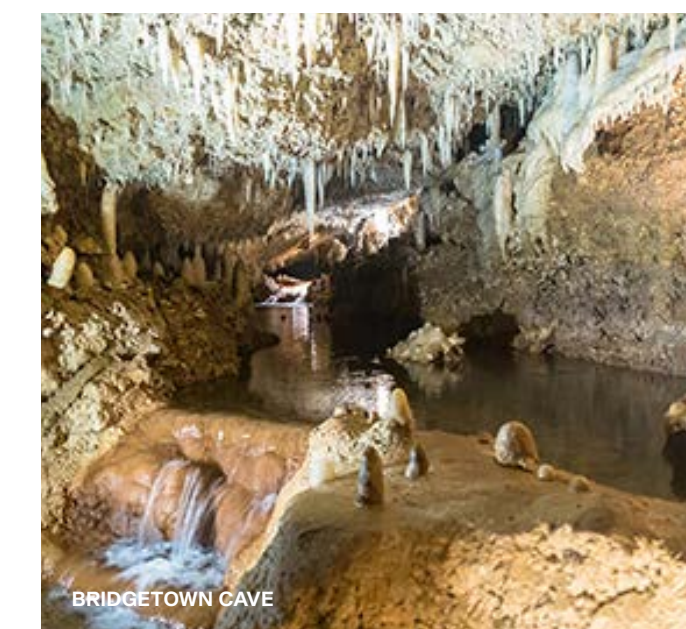

Does it get any better than this?

18 MARCH – 29 MARCH 2024  
11 NIGHTS

BRIDGETOWN

**Embarkation/disembarkation ports**

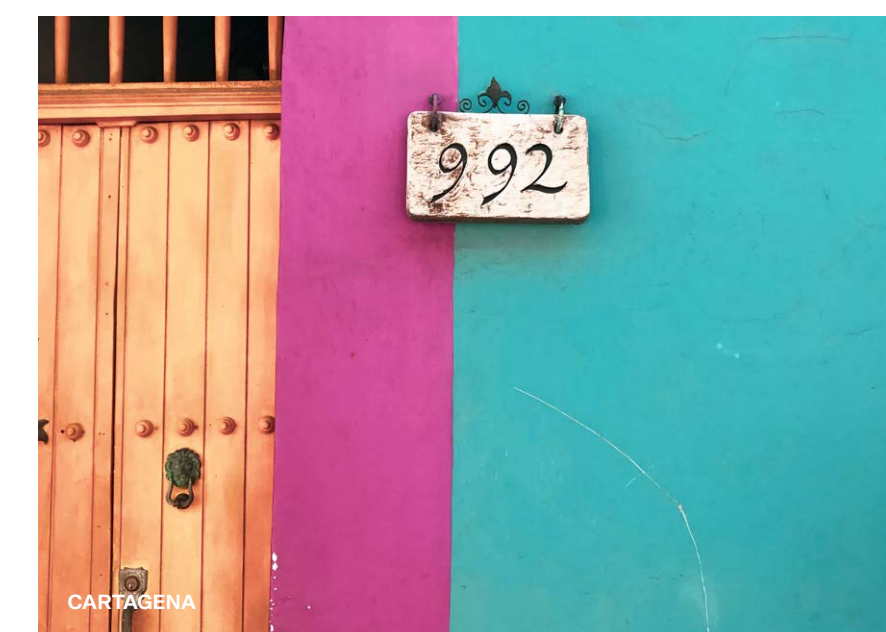

Mapped by Columbus. Fought over by the Spanish, French, Dutch, Danish and English. The Southern Caribbean is a parade of islands and idyllic harbors that beg to be discovered. Verdant, vibrant, Roseau is a dream where shades of emerald green are too vivid to imagine.

The Lesser Antilles — Aruba and Curaçao — beguile with vivid flamingos, wind-bent divi divi trees, and Dutch windmills. The curvaceous shore of Colombia leads to an overnight in Cartagena; a tropical city with a seductive blend of 500-year-old history and exuberant beauty.

No place more magical than Puerto Limon; skywalk in a virginal forest and ford rivers in search of anteaters, sloths, and giant butterflies. Nature and ingenuity conspire as we sail under the Bridge of Americas to negotiate the locks of the Panama Canal. With front-row views aboard EXPLORA I, you experience one of the most amazing man-made wonders where the triumph of engineering connects two shining seas.

# CENTRAL AMERICA TO CENTRE STAGE IN LOS ANGELES

**PANAMA CITY TO LOS ANGELES**  
29 MARCH – 12 APRIL 2024  
14 NIGHTS

**Embarkation/disembarkation ports**

Everything on this Journey moves at the speed of desire: remote coasts and romantic resorts, chic cities and cloud forests. We start where dreamers and builders dug a short-cut from sea to shining sea in Panama City then dive into one of the most biologically intense places on the planet, Costa Rica. Here 4% of the world's biodiversity finds sloths and monkeys in Manuel Antonio National Park and an otherworldly Monteverde to discover birds, trees, orchids, and plants that cannot be found anywhere else on earth! We join sunbathers and surfers in San Juan del Sur, then search for Mayan roots in Puerto Quetzal. With a sky and sea that are mostly flawlessly blue, the Mexican Riviera calls us to Puerto Vallarta and Cabo San Lucas. But perhaps nothing can prepare you for arriving in San Diego and Los Angeles, both cinematic cities where culture meets the coast.

# OUR US & CANADA PACIFIC COAST & HAWAII JOURNEYS

---

## PACIFIC COAST & HAWAII

Hawaii feels at once remote and tantalisingly exotic. We celebrate Polynesian heritage, culture and the islanders' proud identity as we wear the lei and perform the hula or luau – deep-rooted native traditions underpinned by an appreciation of the land and its sacred energy.

---

---

## THE ISLANDS IN THIS VOLCANIC ARCHIPELAGO PROFFER A SPELLBINDING TOPOGRAPHY.

---

Encounter lush tropical forests, deep green valleys, cascading waterfalls, vertiginous cliffs (or palis in Hawaii), endless sand dunes and some of the world's most beautiful beaches – in places long, wide and golden, where the big Pacific rollers entice a laid-back surfing crowd; elsewhere shallow, quiet and ideal for snorkelling with turtles and parrotfish.

---

But also prepare for **LUNAR**-like **BLACK**-sand beaches, the *Green* Sand beach (coloured that way by the olivine crystals) and the **ICONIC** red royal poinciana trees.

*Embrace the **ADVENTURE** and  
take a **FAST** boat to snorkel  
*surrounded* by turtle and parrotfish.*

In places Hawaii remains an unspoiled paradise, resonating with Mark Twain's description of Kailua-Kona as "the sleepest, quietest, Sundayest looking place you can imagine". In others it's as buzzing and vibrant

as can be, where excellent line-caught mahi mahi or shrimp tacos from a food truck on the beach might be followed by white pineapples and fresh papaya and washed down with a Mai Tai.

# SYBARITIC CITIES & PACIFIC NORTHWEST COVES

**LOS ANGELES TO VANCOUVER**  
12 APRIL – 18 APRIL 2024  
6 NIGHTS

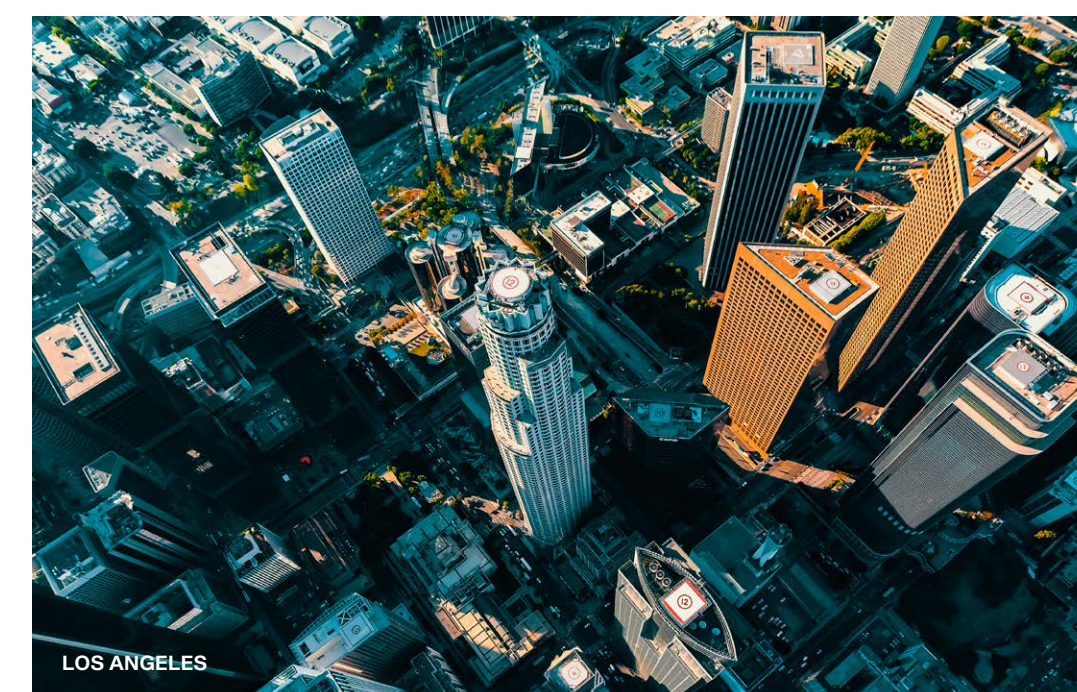

**Embarkation/disembarkation ports**

From sybaritic cities and idyllic shores, we journey where Hollywood film crews regularly shoot movies. While Los Angeles may have risen on the back of the film industry, today it is a mecca for big dreamers that are the metronomes who set time to the rhythm of life. The “red carpet” treatment continues in San Francisco, a shimmering city by the bay, where you can hike a coastal path with tech billionaires or stroll the Golden Gate Park to arrive at Haight-Ashbury, the birthplace of counterculture in the 1960s. An overnight allows time to venture to Napa Valley and Sonoma, the laid-back “Bordeaux of America”.

Astoria welcomes with cosy vibes where lush forests set the perfect backdrop for small-town America. When it comes to charm, British Columbia’s Victoria is reigning queen whilst Vancouver boasts an amazing juxtaposition between urban oasis and serene wilderness that stretches from seascape to mountains.

Of all the ways to explore Hawaii, this Journey is undoubtedly the most satisfying. An ocean escape where time loses its pull and allows you to set your internal clock to the pacific rhythm of the waves. When the sun is high, we see our first glimpse of Hawaii, which is the proper name of the Big Island. You can almost see Pele, the volcano goddess and creator of the islands, sitting in her heaven in Hilo. An island of five volcanoes, deep canyons, plummeting. Take a cardio-hike through Volcano National Park. Walk to Akaka Falls. Or hop a helicopter to fly over the active Kilauea and Mauna Loa. Good tidings continue for us on Oahu, where Honolulu welcomes us with its wide Waikiki Beach, legendary Diamond Head, and impeccable shops along Kalakaua Avenue.

From the creative firmament of Oahu to the raw landscapes of the Big Island and Kauai, this journey is a mixology of mysteries and Mai Tai cocktails served with chilled days at sea. The legendary coast of Kona has long been coveted for its beauty where Captain Cook first stepped ashore to where King Kamehameha I went for a little R&R. Graceful manta rays, green turtles and surfers fill the warm bays whilst coffee plantations and orchid gardens dot the leafy foothills. As glamorous as a movie set, Kauai is perhaps the most picturesque island. From the dramatic 4,000-foot-high (1,200 meters) Na Pali Coast State Park to the 3,600-foot-deep (1,090 meters) Waimea Canyon, a geological masterpiece that is alien on such a lush place. # OUR MEDITERRANEAN & WESTERN EUROPE JOURNEYS

---

## THE MEDITERRANEAN

“The sea was sapphire coloured, and the sky burned like a heated opal through air. We hoisted sail; the wind was blowing fair.” So wrote Oscar Wilde as he sailed for Greece and its islands, where every cove, olive grove and flower-strewn mountaintop captured his imagination.

We endeavour to do the same on our explorations of the Mediterranean, combining the beguiling glamour of French Riviera and the Côte d’Azur with island hopping from Sardinia, Ibiza and Santorini to Captain Corelli’s Kefalonia.

---

## WE TIME TRAVEL BACK TO THE CLASSICAL CIVILISATIONS OF ATHENS AND ROME.

Step in awe amidst their ancient ruins and savour the spell cast by Europe’s wealth of great art and glorious architecture. Visits ashore may range from a quiet caffè latte in a shaded piazza corner to a cocktail.

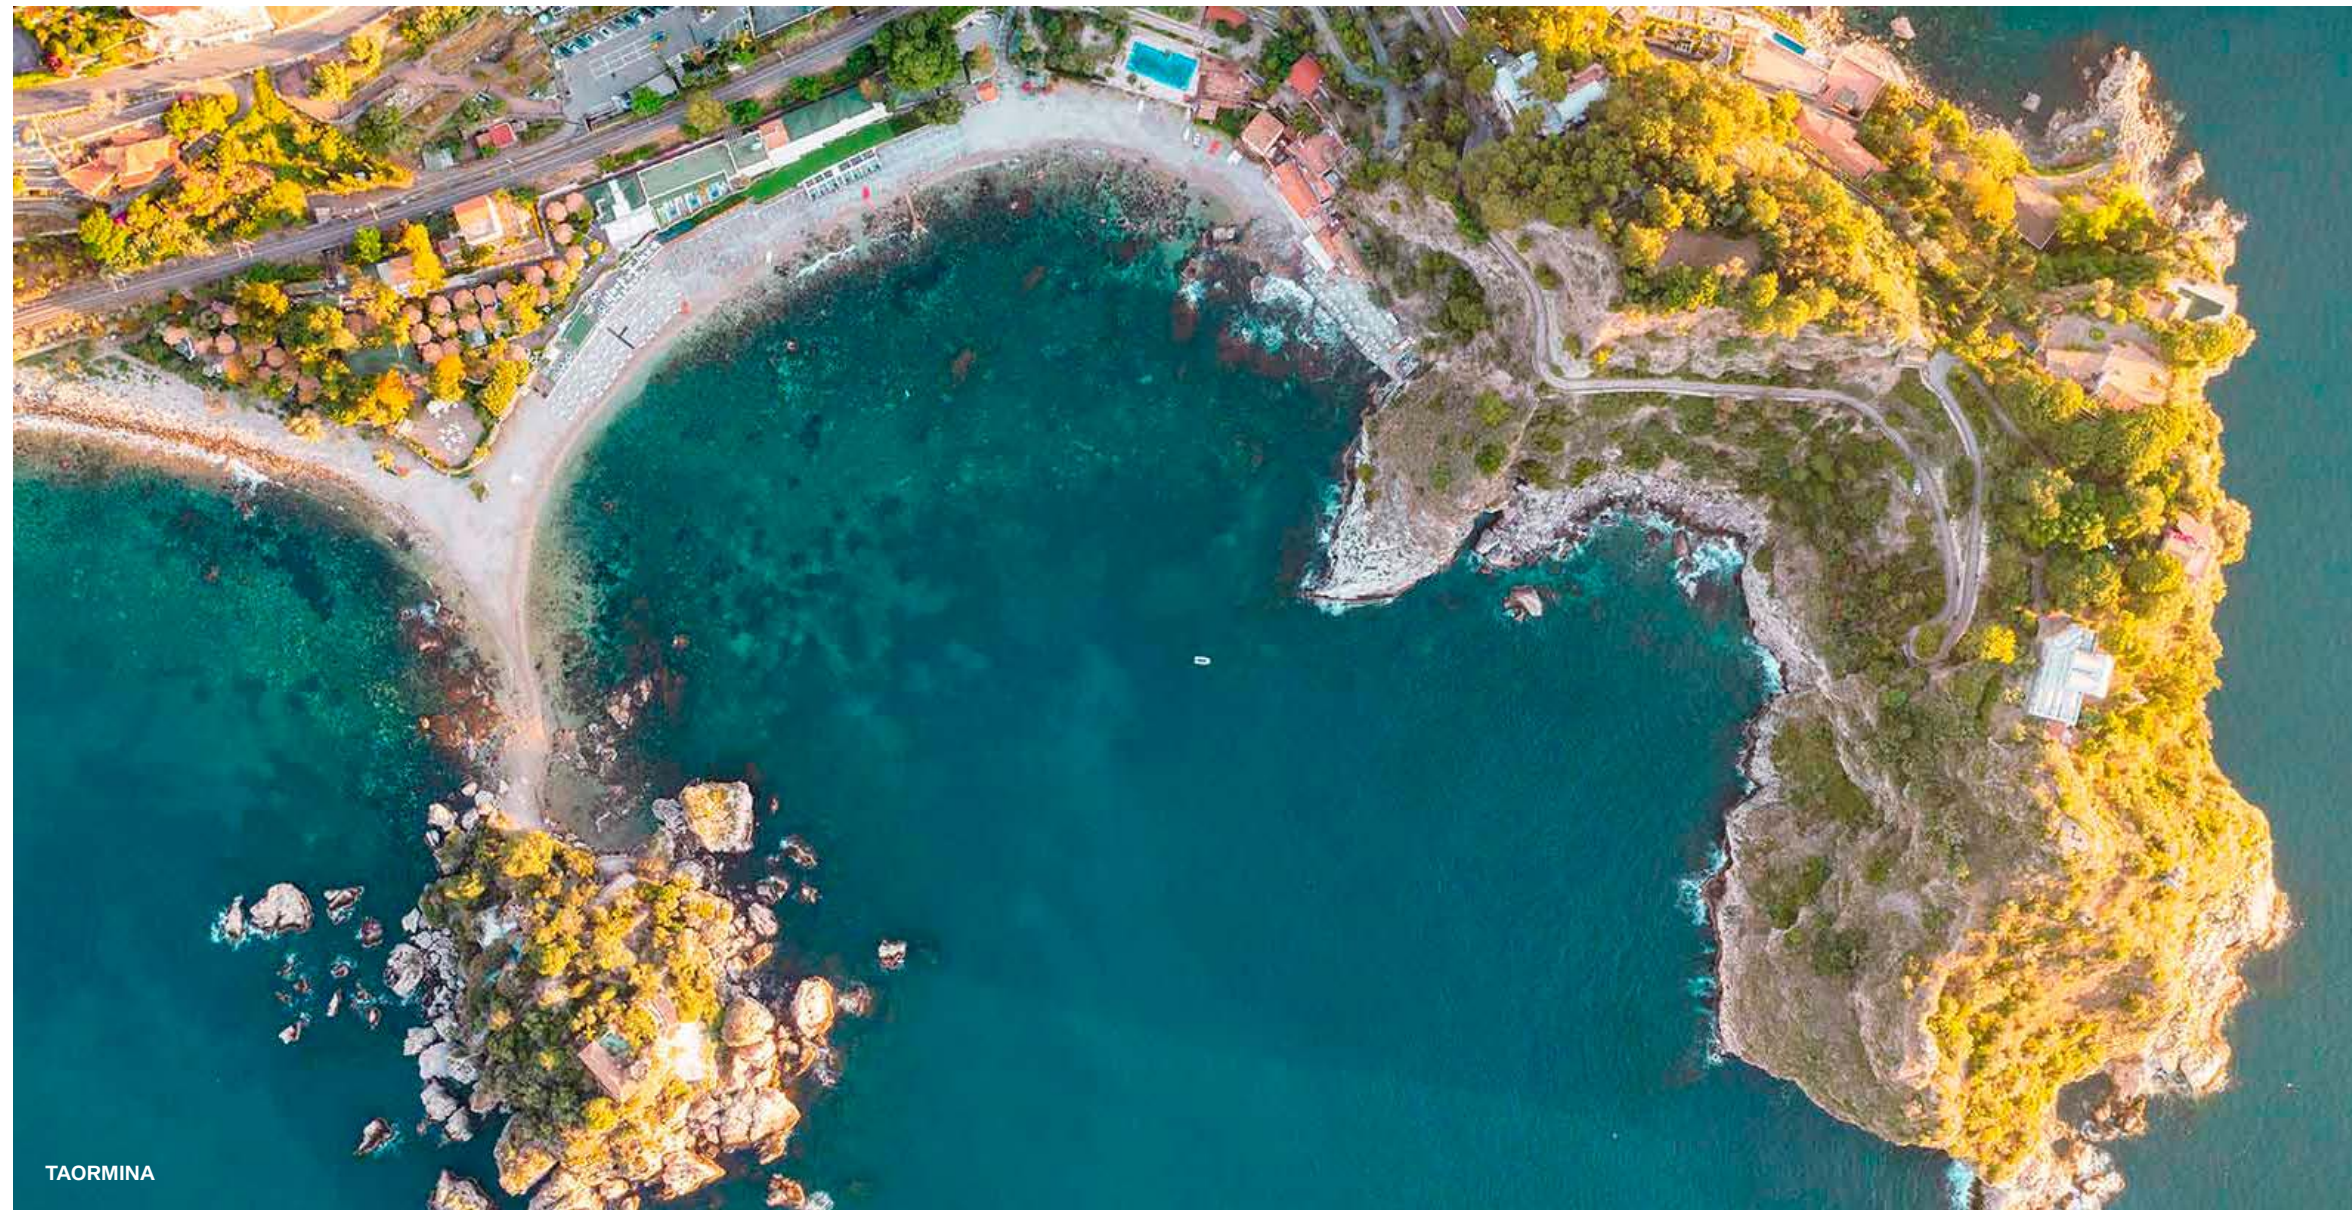

Back on board we channel the people of the Mediterranean, who have long mastered the art of living well.

**SUN** *drenched* days and **HAZY** *siestas* segue into *unhurried* evenings with dinner in the **WARM** *breeze*— on deck or on land at local trattorias and the Med’s most storied **WATERFRONT** restaurants.

# OUR RED SEA & ARABIAN PENINSULA JOURNEYS

Parched deserts and **Craggy** mountains give way to **Sublime** coasts and vibrant cities, a *heartfelt* **WELCOME** guaranteed wherever *you* rest.

---

## RED SEA & ARABIAN PENINSULA

A balancing act between old and new, as time-honoured traditions underline youthful vision, focused on the future: new stories in the making. Today, travellers find a warm welcome wherever they wander, from the humblest majlis on the edge of the desert to incense-perfumed souqs and grand palace ballrooms.

Only the Bedouin know the secrets of the Rub' al Khali — the Empty Quarter — which covers much of Arabia, ancestor of the beaches that line its sickle-shaped coasts.

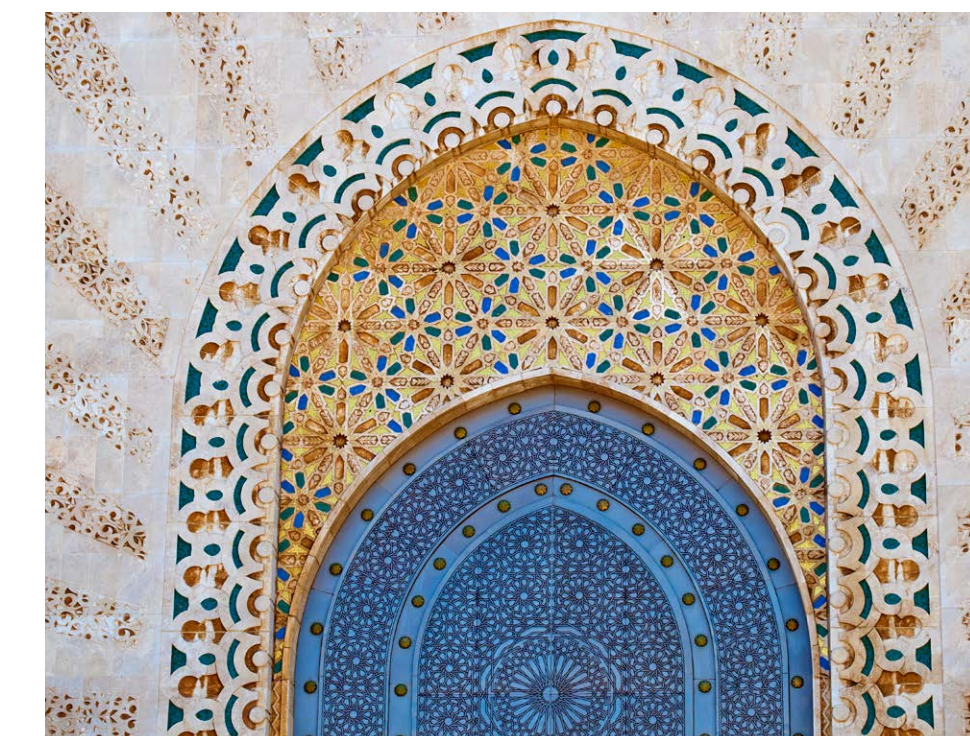

The shifting sands of Egypt are scarred by wild wadis and desert oases, carved in two by the eternal Nile, while the Mars-red sands of Jordan's Wadi Rum and northern Saudi Arabia evoke an unmatched otherworldly ambiance.

The warm waters of the Red Sea and Arabian Gulf are rich with bounteous marine life, haven to graceful dugongs and pearly oysters.

---

**ANCIENT EGYPT,  
ARABIA AND THE  
LEVANT WERE UNITED  
BY THEIR PASSION  
FOR EXOTIC SPICES,  
PEARLS AND PRECIOUS  
STONES, RICHES OF  
THE INCENSE ROUTE.**

---

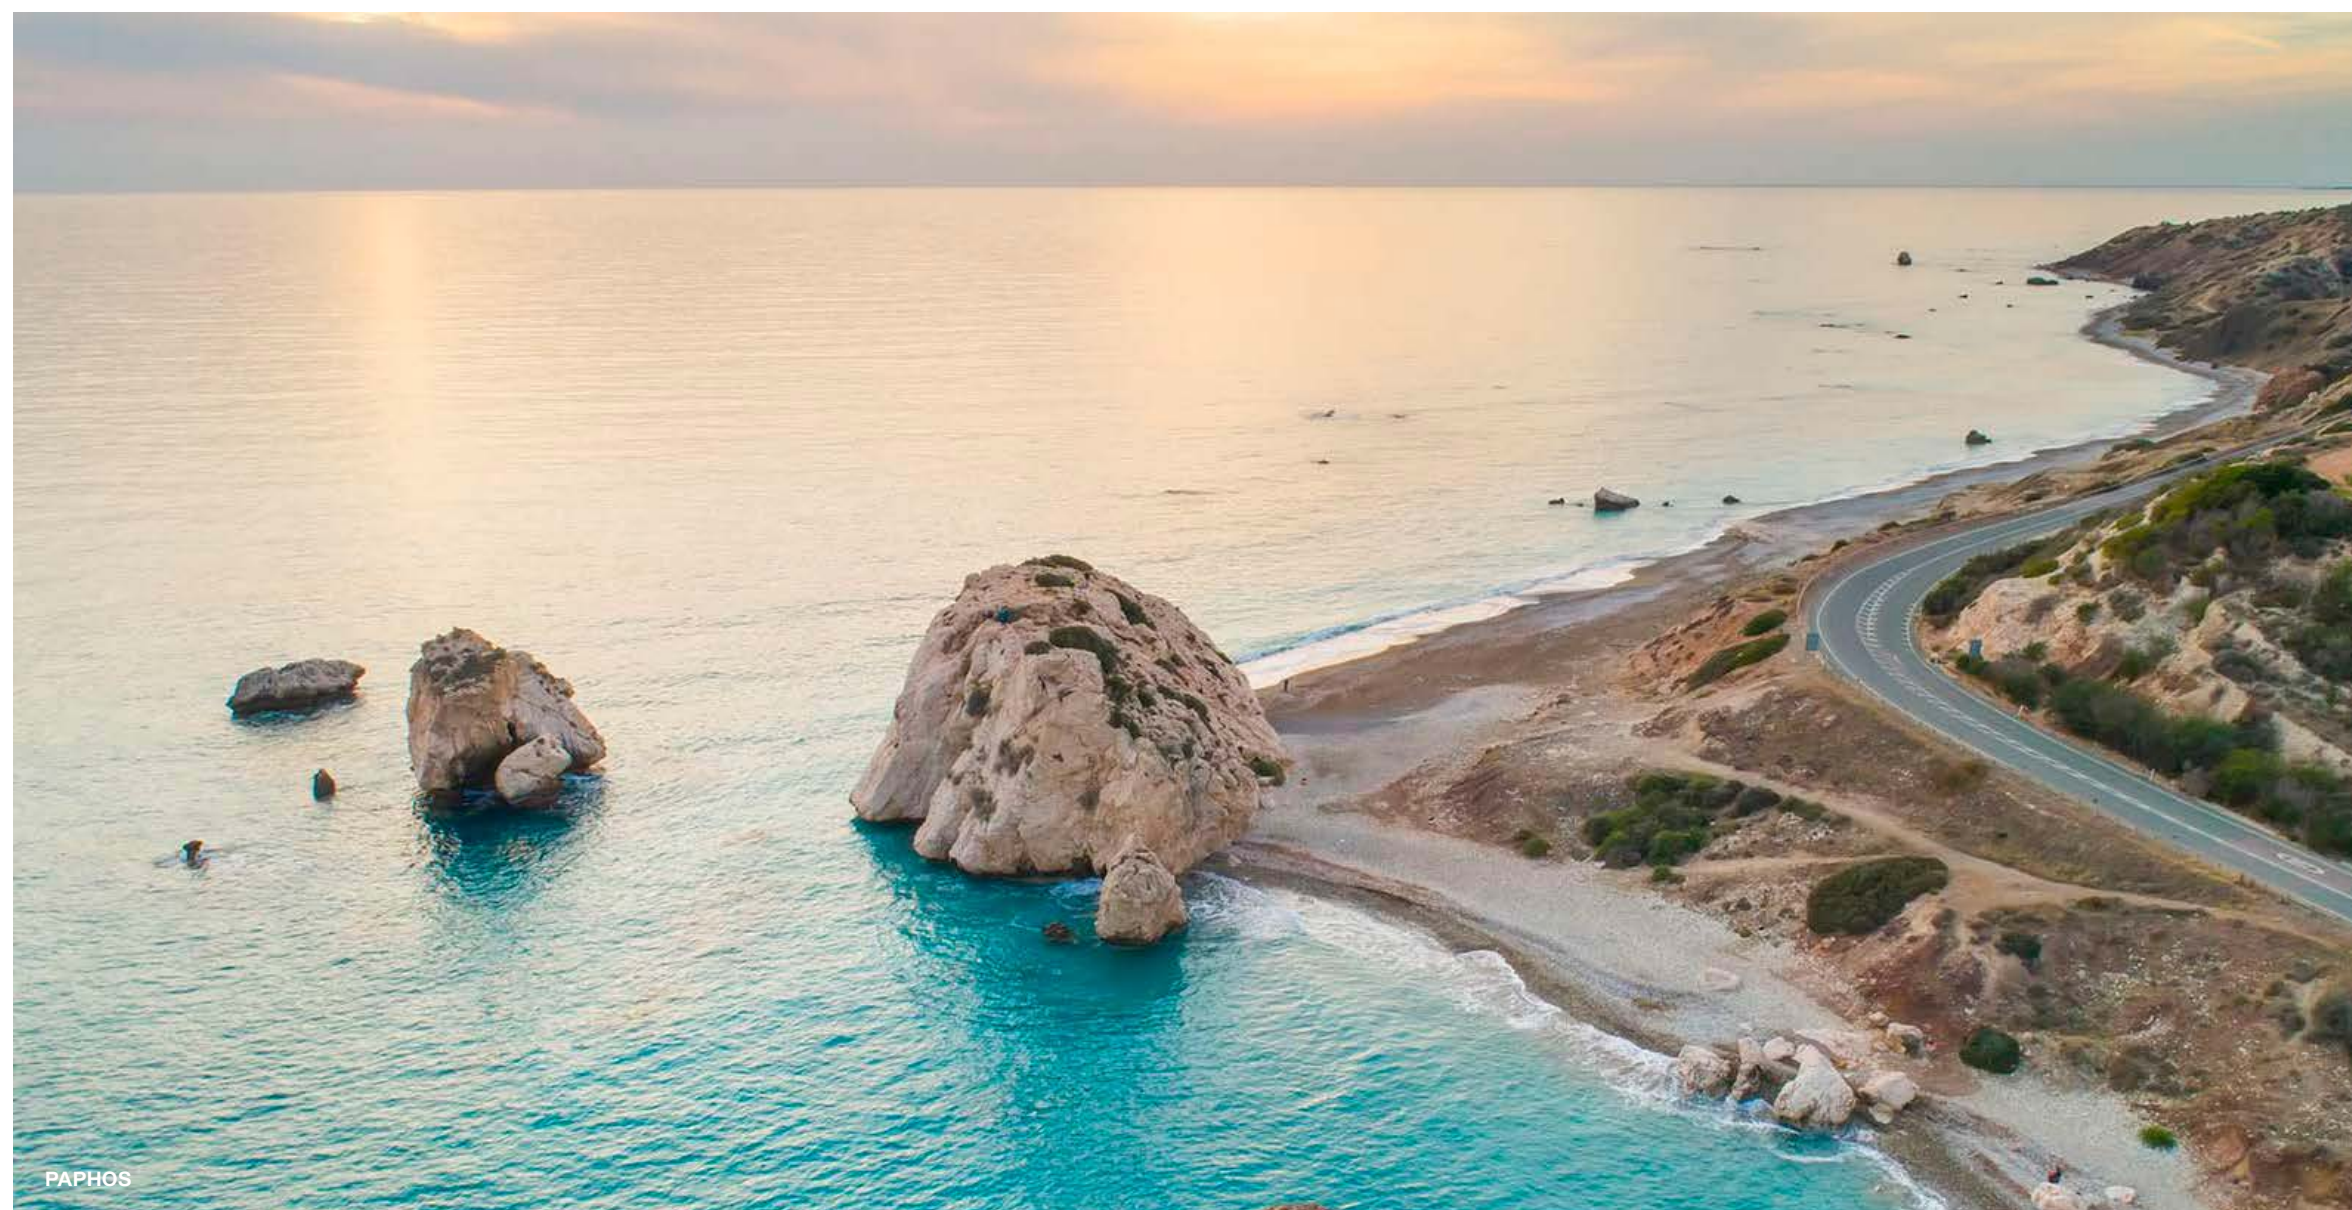

Delve into the oldest civilisations of the Middle East and North Africa, dotted with UNESCO riches and world wonders. The Ancient Egyptians gave mankind the great pyramids, temples and a pantheon of deities; the Nabateans left behind sandstone cities beyond compare in Petra and AlUla.

Across the Arabian Peninsula, caravans traced the Incense Route for hundreds of years, building great cities into scorched desert mountains, while the birth of Islam in AD 610 would reshape history.

Castles in the sand, natural wonders, hallowed lands: tradition and modernity unite in a cultural cauldron, past and present, the natural and man-made side by side.

# BEYOND BOUNDARIES

Soul-stirring experiences that touch the impossible, from the thrill of supersonic speed to the deepest fathoms of ocean trenches.

There is something **WITHIN** all of us that *seeks to touch* the **IMPOSSIBLE**; to **REACH out** and **FULFIL** a *transcendent* need that *resonates* **DEEP** within our *being*.

---

Our Beyond Boundaries experiences answer that call where opportunities into the uncharted promise profound and personal enrichment.

Whether you seek the thrill of supersonic speed, the silence of polar mountain peaks, the deepest fathoms of ocean trenches, the sense of awe from meeting world-leading intellects and artisans.

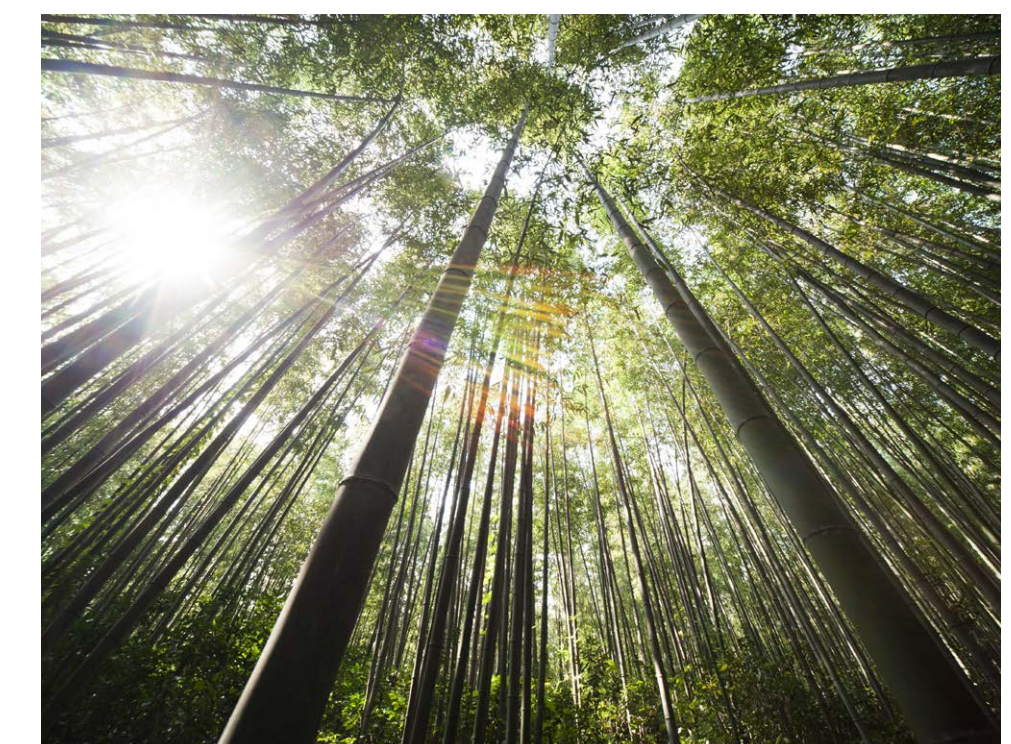

---

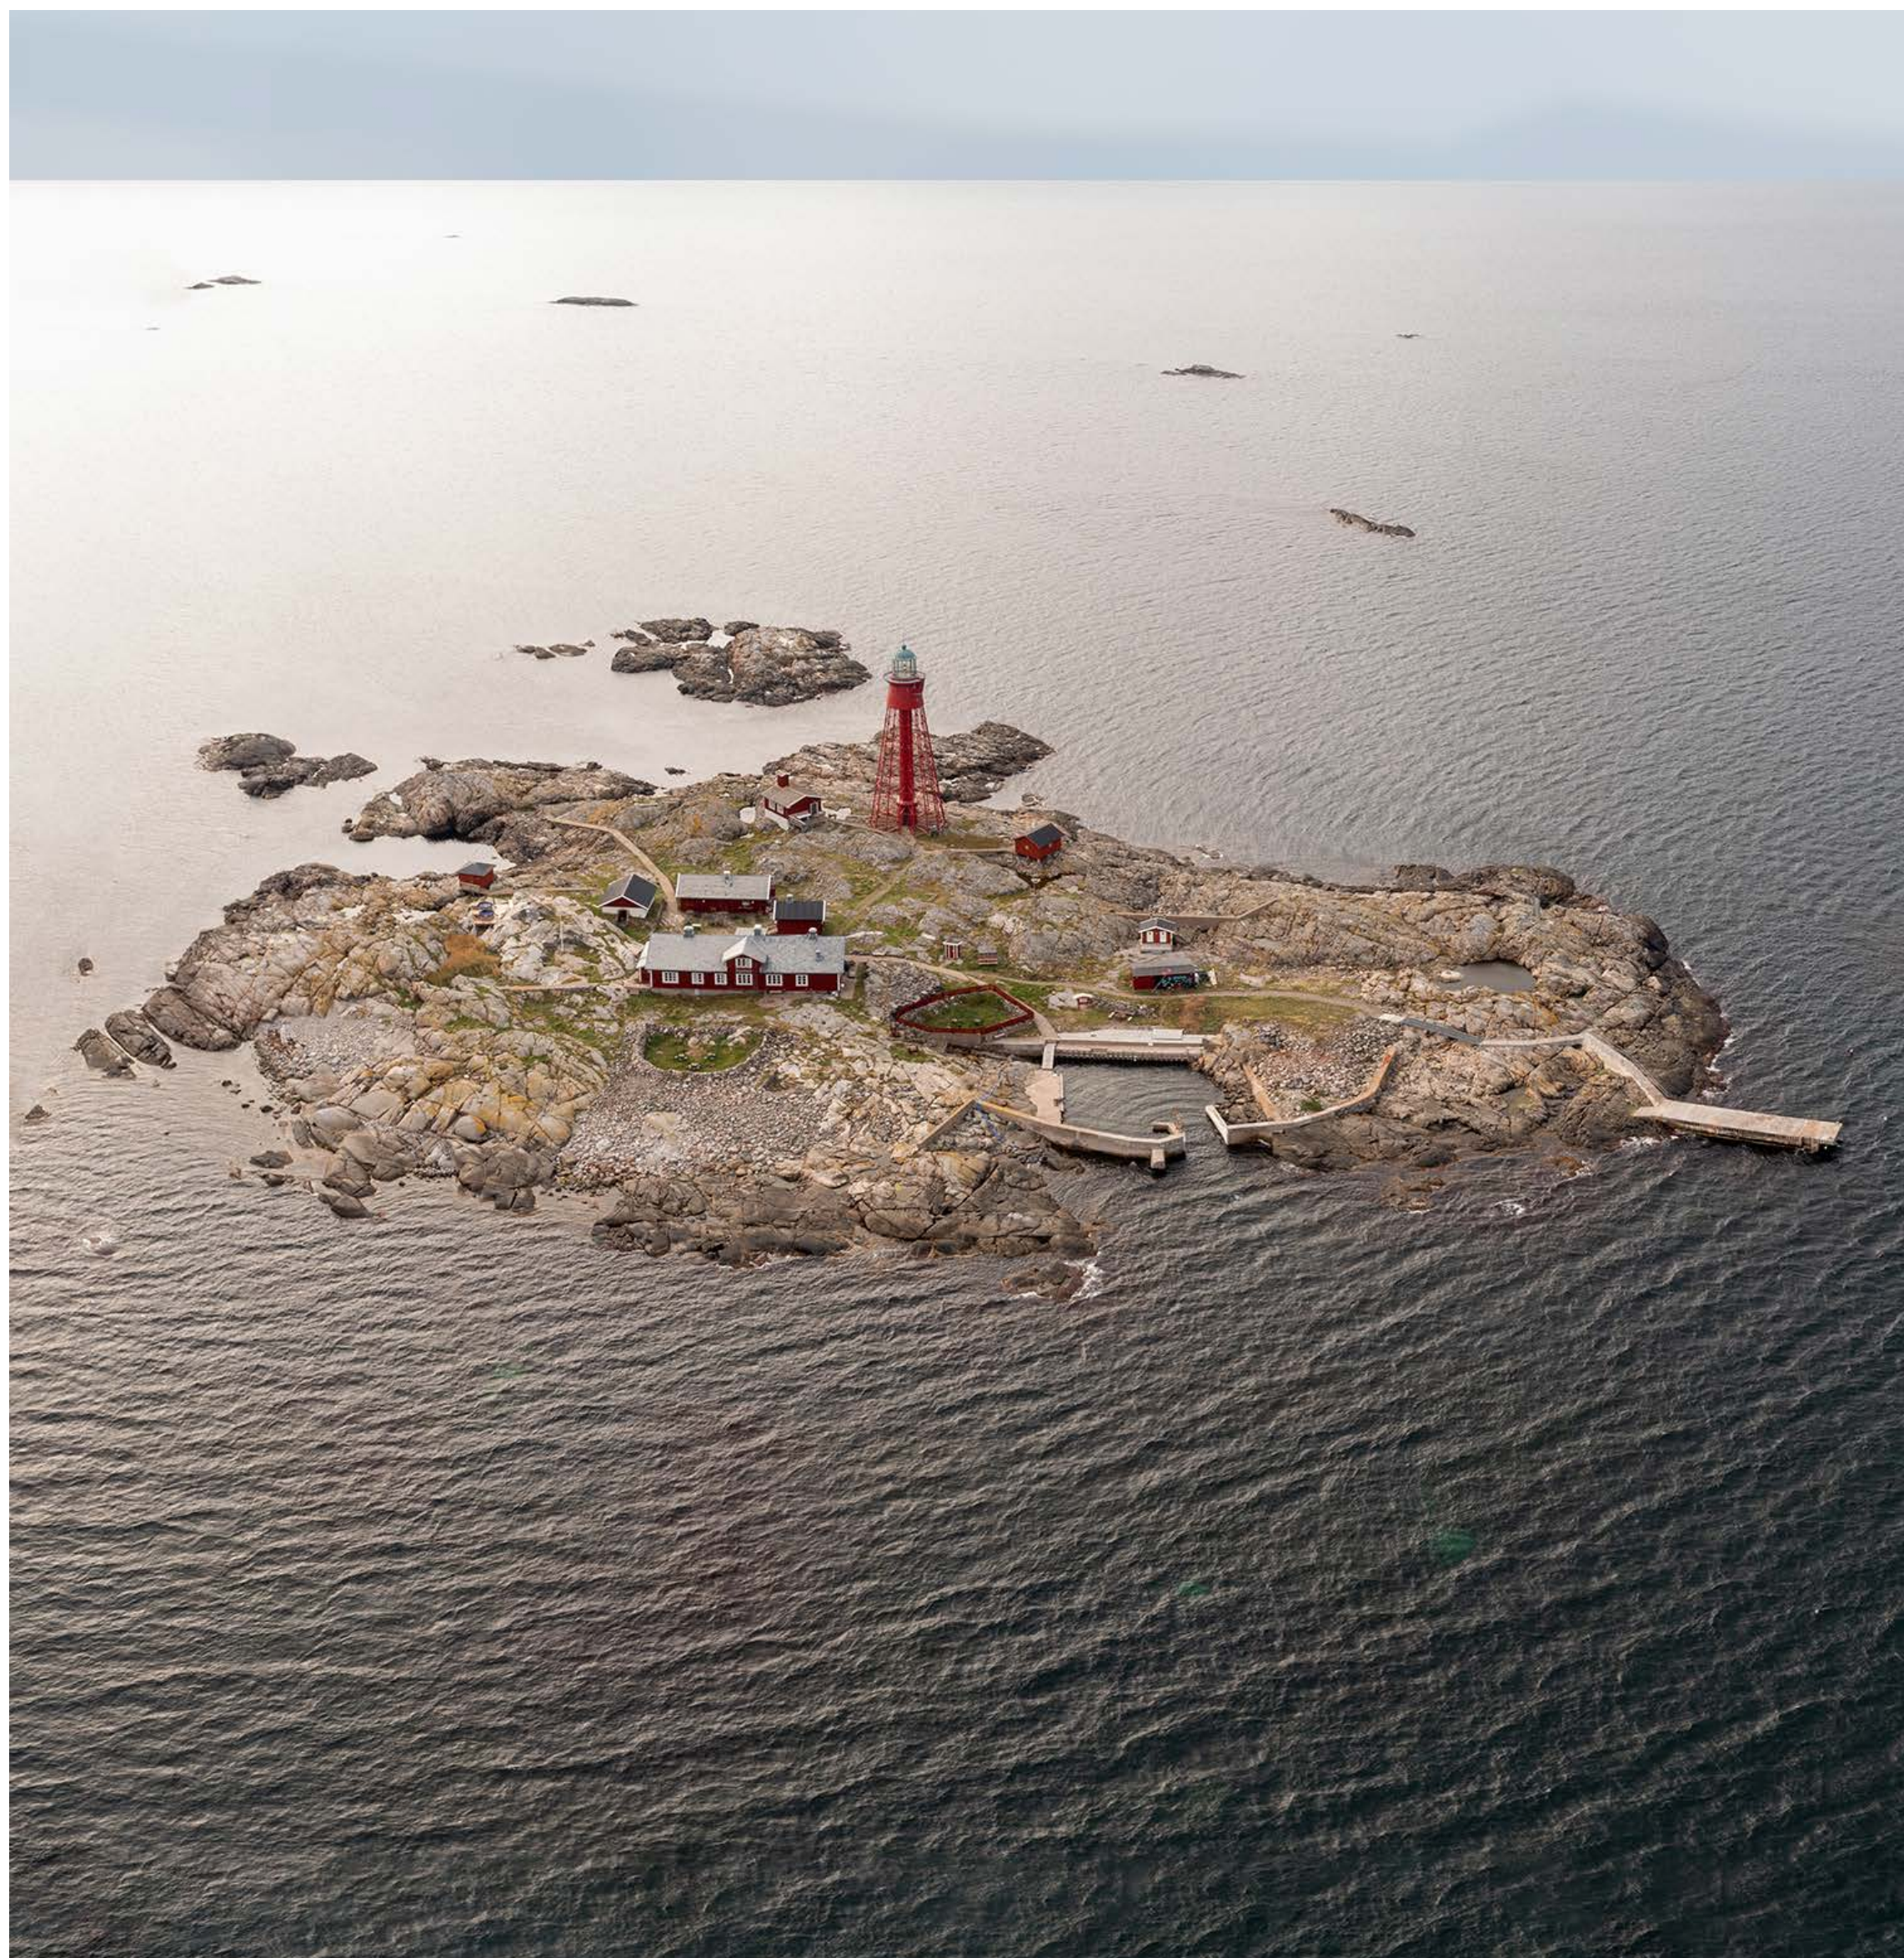

**THESE EXPERIENCES  
ARE MORE THAN  
ONE-OFF WONDERMENTS.**

---

They are soul-stirring achievements that will forever influence your perspective of the world and your role within it.

The only remaining question is how far do you dare to go to close the distance between your dreams and reality?

ONE OF THE BEYOND BOUNDARIES  
EXPERIENCES TO LOOK FORWARD TO:

*Private pampering  
on a remote rocky island  
Göteborg, Sweden.*

---

THE SENSE OF ADVENTURE  
WASHES OVER YOU

The exclusive rental of Hamneskär Island is one of the most desirable places to visit in all of Scandinavia. A rugged paradise off the west coast of Sweden that's reachable by private helicopter and RIB boats for your intimate party of two. Wild sea air, chilled champagne, just-shucked oysters,

and dramatic stories of the island's history fuel your sense of adventure. Enjoy back-to-nature pursuits, a gastronomic table of never-fresher seafood then unplug with a relaxing message in the lighthouse. The ultimate escape for those who wish to experience the luxury of true isolation.

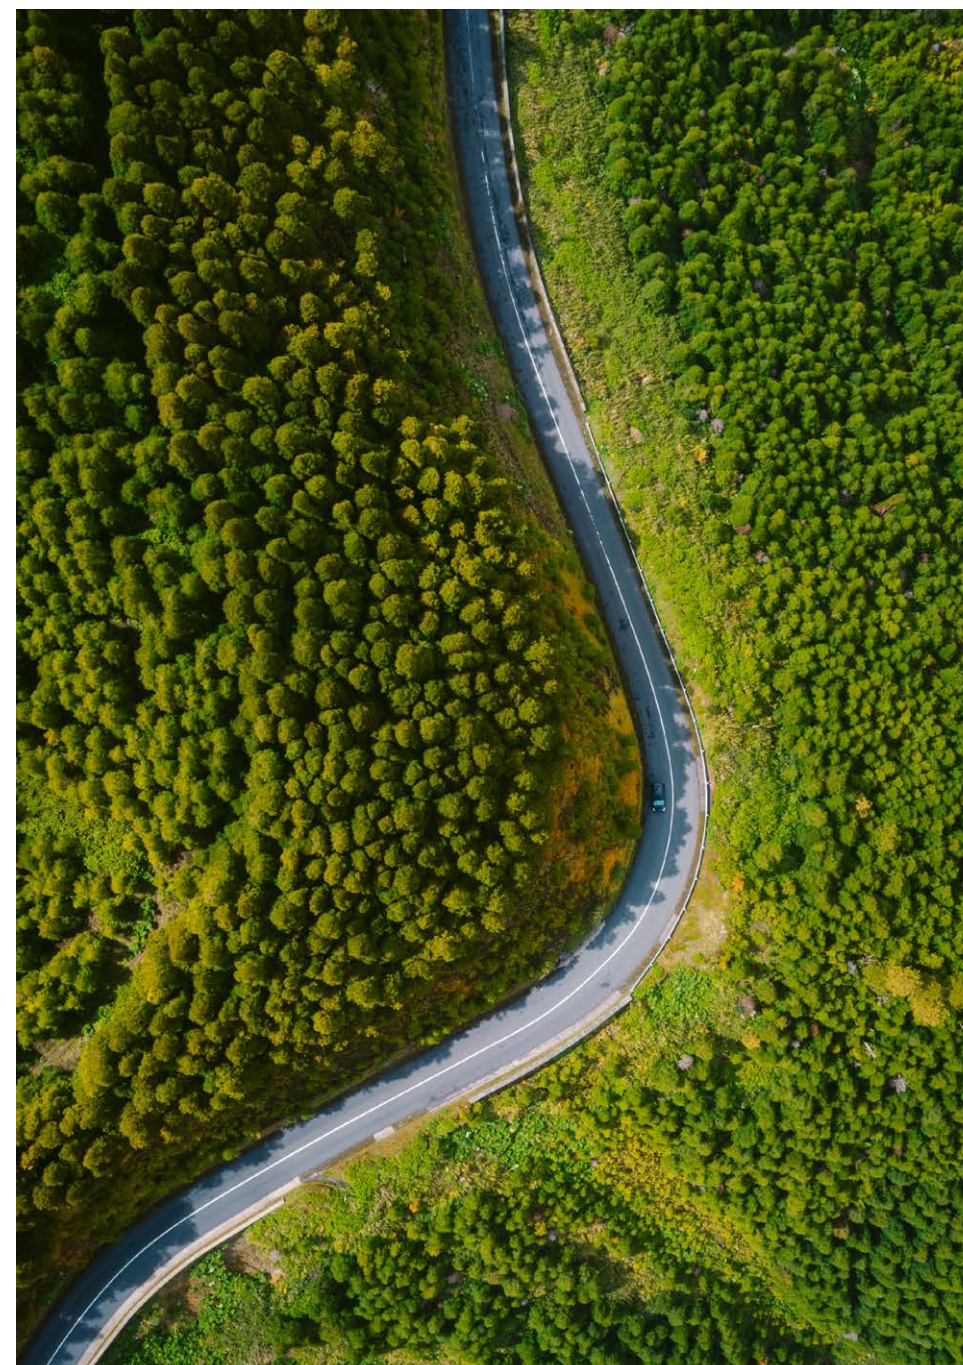

# TAILORED EXPERIENCES

The travel equivalent of haute couture, our Tailored Experiences are tailor-made for those who seek truly customised arrangements that are both personal and without compromise.

We are pleased to curate your requests for singular, customised arrangements that can be as off-the-beaten-path or utterly indulgent as you wish. Whether yours is an intimate group of two or a larger gathering of family and friends, we can help you adapt a featured destination experience or totally tailor an arrangement that delivers exactly where and what you prefer.

**WE ALSO EXTEND

ONE OF THE TAILORED  
EXPERIENCES TO LOOK FORWARD TO:

*Adrift on your dream  
of a private yacht.*

---

**TROPICAL TIDES CARRY YOU  
ALONGSIDE BREATH-TAKING SHORES**

Anchor off deserted islands where yours are the only footprints, or dive into crystal clear lagoons known only to the most seasoned sailors. When your dream of distant shores includes a private boat or yacht tour, Explora Journeys can connect you with a captain and crew

able to deliver all your desires. From plush towels and snorkel gear, chef-driven meals, and perfectly chilled champagne with corks popped precisely at sunset, we can help you navigate an adventure for just with you, or with others if you prefer.

A man and a woman are captured mid-air, jumping into the ocean. The man, on the left, is shirtless and wearing red shorts, with his arms outstretched. The woman, on the right, is wearing a colorful striped bikini and also has her arms outstretched. The water is a deep, vibrant blue-green color, and the overall scene conveys a sense of freedom and adventure.

No matter how well travelled you are, it's difficult to wrap your mind around the experience of camping on the world's largest polar ice cap, where vibrant blue ice colours are surreal. Welcome to the wild and wonderful world of Greenland's hinterland. Two-thirds of Greenland lies above the Arctic Circle and for five glorious days you will too. Under 24 hours of sunlight, we ice climb on glaciers, hop

in helicopters to view vast vistas of white at the edge of the ice cap, climb into snow trucks in search of herds of shaggy musk ox grazing on the tundra, and camp outside a remote radar station in off-grid, eco-luxury lodging tents that are environmentally light-on-the-ice yet wonderfully warm and welcoming. Immense landscapes experienced in the most intimate terms.
